Conference Closing Report

The 6th National Conference on '**Recent Developments in Mechanical Engineering**' RDME-2017 was organized by the Department of Mechanical Engineering during March 17-18, 2017. There has been an overwhelming response to the call of papers of the 6th National Conference RDME-2017. Around 75 numbers of full length papers (includes Review and Research) have been received from the Researchers and Academicians of the leading institutes and organizations from in and out of Maharashtra. However, only about 72 good quality papers have been finally selected based on the recommendations of Reviewers for presentation and inclusion in the souvenir and IOSR Journal of Mechanical Civil Engineering. By and large this technical paper gives a true account of current research and development trends in the field of Mechanical Engineering.
