

Conference Closing Report

The 7th National Conference on '**Recent Developments in Mechanical Engineering**' RDME-2018 was organized by the Department of Mechanical Engineering during March 23rd -24th, 2018. There has been an overwhelming response to the call of papers of the 7th National Conference RDME-2018. Around 55 numbers of full length papers have been received from the Researchers and Academicians of the leading institutes and organizations from in and out of Maharashtra. However, only about 40 quality papers have been finally selected based on the recommendations of Reviewers for presentation and inclusion in the souvenir and IOSR Journal of Mechanical Civil Engineering. By and large these technical papers give a true account of current research and development trends in the field of Mechanical Engineering.

On the first day of Conference i.e. Friday the **Inaugural Function** was arranged at 10.00 am that took place in Seminar Hall (509). **Dr. N. K.
