Education is the passport to the future, for tomorrow belongs to those who prepare for it today. -Malcolm X

Dear Readers,

It is my pleasure to welcome you to the 30th issue of *Reflection*! This milestone edition celebrates the journey of our department and the incredible progress we've made together. Inside, you'll find stories that highlight our achievements, innovative projects, and the hard work of our talented students and faculty.

As we look forward, we remain committed to excellence, embracing challenges, and fostering a vibrant learning community. I am proud of what we have accomplished and excited for what lies ahead. I congratulate the Editor, Dr. A. P. Kale, Mrs. A. A. Shahbad and her student team who have played a wonderful role in getting the newsletter published.

Thank you for your continued support and engagement with our department.

Dr. (Mrs.) Nuzhat F. Shaikh

Message From the Editor

We are presenting you with the thirtieth issue of our newsletter "Reflection". Our intention is to put out two issues per year, one at the end of May and the other at the end of December. The success of this newsletter depends on your response. I would appreciate your feedback.

Guest Lectures

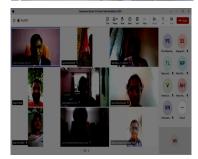

- 1. A guest lecture was arranged for the students of SE on the topic "Integrating Artificial Intelligence with MATLAB" on 1st Aug 2024. The speaker for the session was Mr. Ankit Kumar, Application Engineer Mathwork, DesignTech System Pvt. Ltd. The speaker enlightened the students make the students familiarize with Artificial Intelligence and impart the Knowledge to the students with MATLAB software.
- 2. A guest lecture was arranged for the students of TE on the topic "Industry Coding Standards (In Association with CSI)" on 23rd Aug 2024. The speaker for the session was Mr. Namdeo Manek Associate Manager Development, Mediaocean Pvt Ltd. The speaker enlightened the students about to learn various ways of coding standard.
- 3. A guest lecture was arranged for all year students of on the topic "Smart India Hackathon 2024" on 11th Sept 2024. The speaker for the session was Dr. Santosh Darade, Assistant Professor & Chief Operating Officer in MIT WPU. The speaker talked about bringing awareness about Smart India Hackathon 2024 and enable the students to explore various domains of the competition procedure.
- 4. A guest lecture was arranged for all year students of on the topic "Career Guidance on Higher Studies" on 20th Sept 2024. The speaker for the session was Mr. Yash Paunikar, Satguru Overseas Education. This guest lecture provides Career Guidance for students to identify right Job Opportunities and for those who wish to pursue higher education courses like MS and PhD.
- 5. A guest lecture was arranged for TE students of on the topic "Career Full Stack Development (In Association with CSI)" on 4th Oct 2024. The speaker for the session was Mr. Deepak Patil, Full Stack developer, CITRIX System Pvt Ltd. This guest lecture explored Full Stack Web Development, recent methods in Java. And Modern Application Development for full stack development.
- 6. A guest lecture was arranged for TE students of on the topic "Basic of LaTex" on 3rd Oct 2024. The speaker for the session was Mr. Siddharth Bhalerao, Research Associate, Oneirix Engineering Laboratories Pvt. Ltd. This guest lecture made students introduced the participants to the basics of Latex and develop student skills to prepare project reports and research papers in LATEX by using different LATEX commands.
- 7. A guest lecture was arranged for TE students of on the topic "Explore GEN-AI Trends" on 3rd Oct 2024. The speakers for the session were Mr. Nishan Jain, Mr. Shreyas Damle, Ms.Dristy Srivastava, Mr.Basavraj Hooli, DAXA. This guest lecture made students introduced to understand about GEN Artificial Intelligence and educated students with comprehensive understanding of applications and benefits of GEN AI.

Departmental Events Day's Celebration

1. Foundation Day: On the occasion of Foundation Day, Wadia COE proudly celebrated 25 glorious years of academic excellence, innovation, and growth on 5th July 2024. The event marked a significant milestone in the institution's journey, reflecting on its legacy of empowering students, fostering a spirit of learning, and contributing to societal development. Faculty, students, alumni, and dignitaries came together to commemorate this special day, honoring the achievements of the past and looking forward to a future filled with new aspirations and continued success.

- 2. Independence Day: On the occasion of Independence day, flag hoisting was held on 15th August 2024 at 7:50 AM. College staff and student were present for the flag hosting. Flag hosting is done by respected Principal Dr. M. P Dale.
- 3. Teacher's Day: Teachers day is celebrated as a tribute to the valuable contribution made by teachers to the society by imparting knowledge and enlightening and shaping the career of students. This year on behalf of the MES, we have celebrated Teacher's Day on 5th Sept. 2023 at Wadia College of Engineering.
- 4. Saraswati Pooja and Ayudh Pooja (Navratri/Dussehra 2024): On this occasion Ayudh Pooja was organized on 11th Oct 2024 in 302. All the teaching and nonteaching staff were present for the pooja. All teaching and non-teaching staff presents on this occasion worshiped goddess Saraswati and other instruments of the department.

Dr. (Mrs.) N. F. Shaikh -

- Attended the 58th ICT Bridge (Industry institute interaction) on 23rd August at Hotel Hyatt, Pune.
- Visited at Tata Consultancy Services, Hinjewadi, Pune on 6th Sept 2025.

Dr. (Mrs.) A. P. Kale and Dr. (Miss) R. M. Wahul -

Visited at Maharashtra State Electricity Distribution Company Limited (MSEDCL), Testing & Quality Assurance Lab, Phursungi, Pune under the MoU of Maharashtra State Electricity Distribution Company Limited (MSEDCL) on 19th Nov 2024. The industry institute interaction provided valuable technical insights and practical knowledge related to MSEDCL problems to be solved by applying engineering concepts. The feedback from MSEDCL expert helped to refine approach and enhance the feasibility of PBL II work.

Dr. (Mrs.) S. K. Wagh -

Visited to Desai Electronics and R2A Automation on 3rd Sept 2024.

Dr. (Mrs.) S. K. Wagh, Dr. G. S. Pole and D. D. Ahir -

Visited to Just Data Sciences was scheduled on 12th July 2024. We are proud to share that the founders of Just Data Sciences are distinguished alumni from the Computer Engineering batch of 2005. As a result of this collaboration, four students from the 2024 batch have secured placements in data science roles, and three students from the 2025 batch have been placed at Just Data Sciences, Pune.

The workshop titled "Data Structure using Python" was arranged for SE students on 21st Sept 2024. The speaker for this workshop was Ms. Sneha Chavan, Software Quality Assurance Engineer at Corence Service India. She talked about basic concepts of python like functions, modules, and packages, by highlighting their role in writing clean and reusable code. The workshop was the hands-on session, where participants applied the concepts they learned, gaining practical experience in Python programming. She took hands-on session on DSA related problems.
