FROM HOD'S DESK

It gives me an immense pleasure to write a few words for our newsletter. Education plays an important role in enabling a person to face a real-life situation with adequate knowledge. The current era is referred to as the era of Information and Technology. Sustained advancement in the previous decade has led to the burst of Internet and Wireless Communication. The processing performances once exclusive to Super Computers are now available in handheld personal digital devices. Improvements in Integrated Circuits have enabled space explorations, made automobiles more efficient, revolutionized the nature of warfare are brought vast libraries of information into our Web Browsers and made world a more interdependent place. As a part of this, MESCOE has made outstanding progress in academic, co-curricular, extra-curricular activities.

We, as Electronics & Telecommunication department always expose our students to various activities such as ASTITVA, ROBOCLUB, E-BAJA, ETSA, etc. My best wishes to all the readers for scaling bigger success and achieving newer heights in future!

Dr. P.P Mane
HOD, E&TC

FROM THE EDITOR'S DESK

Greetings!

Through this newsletter I had the opportunity to reflect our departmental activities carried out in last semester. This newsletter is intended to be published twice in an year. It would be a snapshot of the various activities and advancements for all associated with E&Tc department.

I am delighted to stay connected with you through this Newsletter 2021-22 which contains the details about the activities carried out in the last semester.

I appreciate your support and feedback

Prof. U. D. Dattasamje

DEPARTMENT ACTIVITIES :

Guest Lecture on "Internet of Things and it's Applications"

Date: 10/12/2021

Academic

Year:

2020-21

Objectives:

1. To introduce student to the concepts of Internet of Things and its applications.
1. Encourage student to explore and built their own IOT projects.
2. To make students understand importance of IoT, its relevance in Electronics Industry.

Outcomes:

Students are able to understand

- Architecture of IoT
- Applications on usage of using mobile simple devices like Bulb, motor, lock can be controlled using simple software tools like graphana, etc.
- Real Life examples

Target group: SE, TE E&Tc students

Time frame: 1:30 pm onwards

Platform: Offline mode (Seminar Hall 514)

Total No. of Present

Students: 56

Resources Person: Prof. Dr. Abhijeet Deogirikar, Founder & Director at CopperCloud IoTech Pvt. Ltd

Faculty Co-ordinator: Dr. K. S. Tiwari & Y. M. Ajar

Guest Lecture on “PL-SQL” in Database Management.”

Date: 17/11/2021

About Speaker: Prof. Shraddha Khonde

Topics Covered;-

- Introduction to PL-SQL
- Advantages of using PL-SQL
- Difference between SQL and PL-SQL
- Architecture of PL-SQL
- Block Structure
- Variable Declaration & use
- Control statements: IF-THEN, IF-ELSE, IF-THEN-ELSIF, IF-THEN-ELSEIF-ELSE, CASE
- PL-SQL Loop
- Stored Procedures
- Create procedure
- Program on Stored procedure: Students marks Grade calculation
- Program on procedure; Library fine calculation

Objectives:

1. To enhance the programming skills in My SQL.
2. To understand the features of PL-SQL and to apply for practical applications.
3. To use PL-SQL for library application.

Outcomes:

Students will be able-

1. To have knowledge on SQL-DBMS and programming
2. To explain the details about SQL-DBMS in oral examination.

Guest Lecture on “State Machines” in Digital Circuits

Date: 17/07/2021.

A.Y-2021-2022

Objectives:

1. To enhance the knowledge of Sequential Circuits.
2. To understand Mealy and Moore machines.
3. Concepts of sequential circuits and to analyse sequential systems in terms of state machines.

Topics Covered:

1. Finite state machine
2. Moore machine
3. Mealy machine
4. Examples for Mealy and Moore machines.
5. How to make state Diagrams.

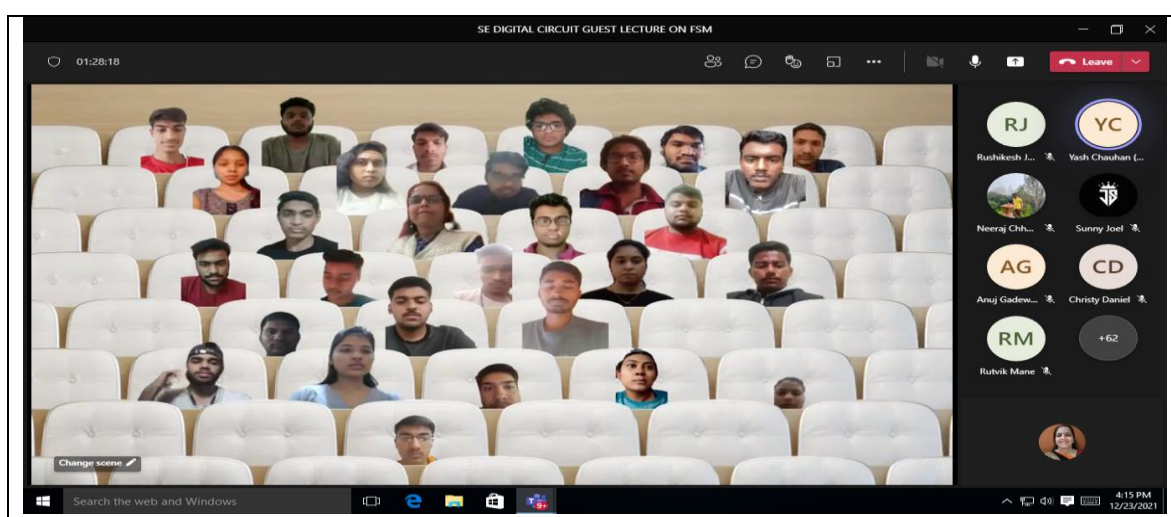

Target Audience: SE E&TC students

No. of Students Present: 111

Time Frame: 1:00PM to 4:00PM

Resources Person: Dr.K.S Tiwari MES College of Engineering Pune.

Faculty Co-ordinator: Prof. G.V. Bomble

Guest Lecture on “Introduction Session on Winter Internship by “IvI Alpha Pvt. Ltd”.

Date – 06/12/2021

Target Audience : TE & BE students (All branches)

No. of Students Present: 96

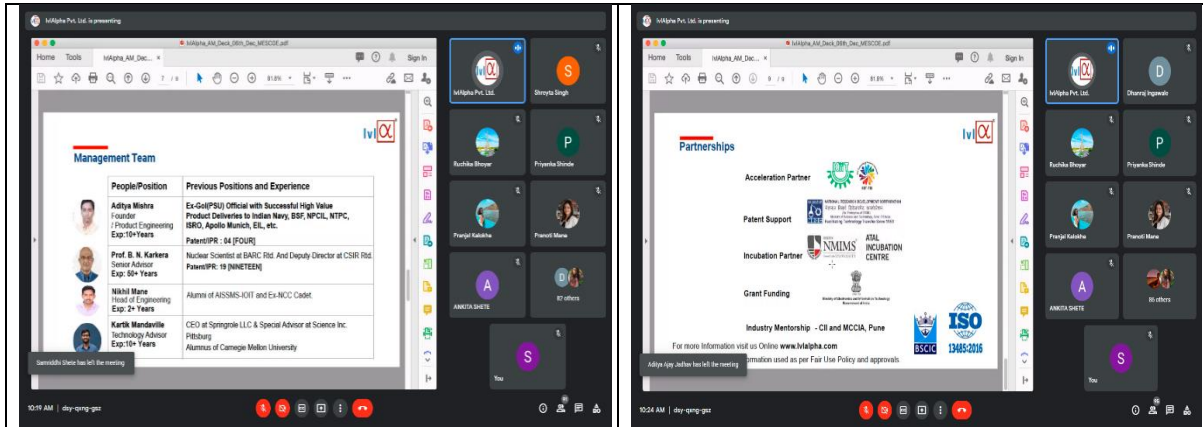

Objectives:

1. To enhance the Opportunities of Internship to Students.
2. To understand the current trends in the market.
3. To encourage students for startups.

Venue: Online on Google Meet

Resources Person: Mr. Aditya Mishra, Founder, IvI Alpha Private Ltd, Pune

Faculty Co-ordinator: Prof. S. S. Pansare

Guest Lecture on “Online Informative Session on “Study abroad-for EnTC Engg students”

Date- 14/08/21

Objectives:

- To create awareness in students about the opportunities available abroad for E&TC Engineers.
- To spread awareness among the students about how to prepare and what to prepare for the admissions in abroad universities.

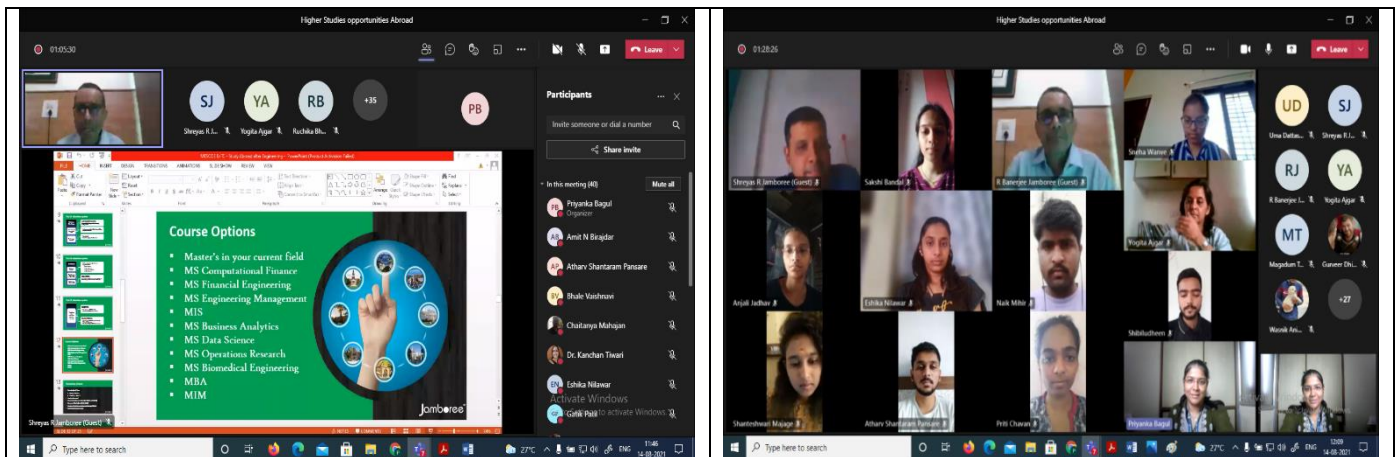

Name of the Guest Speaker: Mr. Shreyas Ramakrishnan, Business Head, Jambroree Education Pvt. Ltd

Target Audience: SE, TE, BE E&TC students
