Karmaveer Bhaurao Patil Earn & Learn Scheme
Annual Report 2019-20

Under Board of Student Development , SPPU, Pune, Our institute promotes Karmaveer Bhaurao Patil Earn and Learn Scheme. This scheme is basically undertaken for the benefit of students coming from the rural areas that are economically backward, intelligent and meritus but cannot afford higher education, needy and financially hard pressed. This scheme is flexible to give work to those who demand it. This is a vision of keeping our youth gainfully employed as well as to contribute from civil society. This is a paradigm shift in the way we see higher education. This will make higher education accessible and available to the poor, meritorious and the marginalized.

The main objective of the scheme is

1. To develop a student as a multifaceted personality with academic excellence and commitment to an egalitarian society.
2. To make them knowledge servant.
3. To make them aware of importance of work.
4. To develop work culture within students.
5. It inculcates in the student the idea that no work is big or small and develops a work culture with the right aptitude.

The students enrolled under the scheme are given the types of work that increases their skills in areas of their study, office work, technical work, field work and library. However when the distribution of work is given (on rotational basis) it is seen that all the students get equal opportunity to get all different kinds of work. Office work includes working at the Library or any other office of the institute. Each student is expected to work for three hours daily.
