Total Participants: 67 attendees

Place: Room No. 514, MESCOE, PUNE

❖ **Objectives:**

1. To encourage the participation by maximum students.
2. To develop students' interest towards Space and Technology.
3. To create enthusiasm in students related to Astronomy in an indulging way.

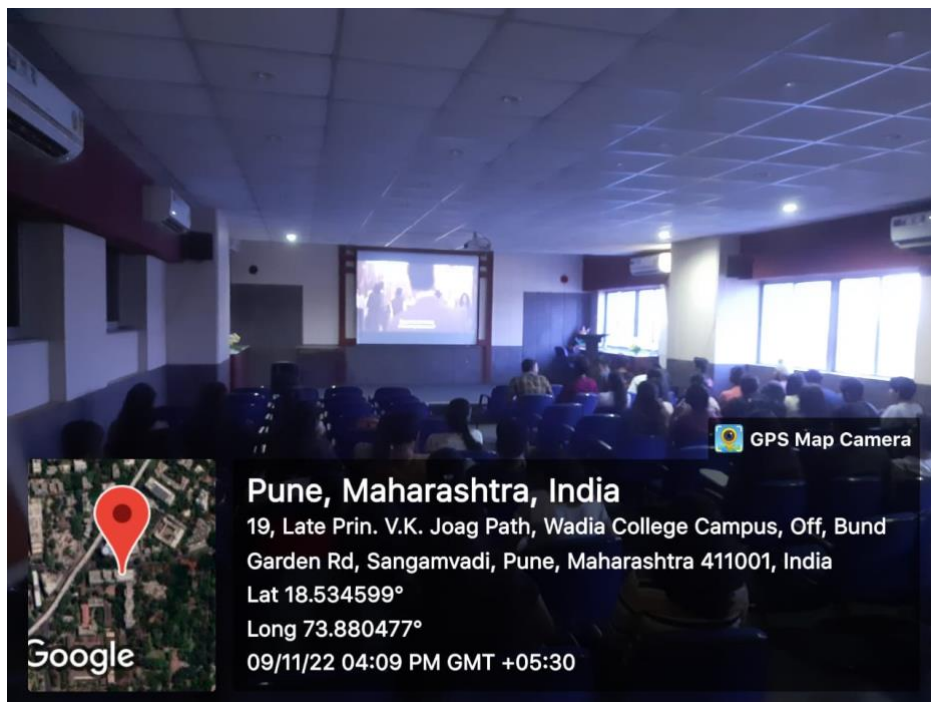

❖ **Brief Description of Event:**

Nakshatra Astronomy Club organized the **MOVIE SCREENING** event on 9th November 2022. "The best time for new beginning is now!" on that note Nakshatra Astronomy Club gives a fresh start by organizing its first offline event in college level. The name of the movie which was presented is **MOONFALL**. We provided tickets for audience for more theatre like experience. The movie was a type of astronomical sci-fi genre with plenty of scientific terms. Our respected faculty co-ordinators, Dr. D. S Adkar sir and Dr. Ekta Ghate Mam was also present for the event.

About the event:

- Nakshatra Astronomy Club starts its term by organizing its first offline event on 9th November 2022. The movie was a type of astronomical sci-fi movie. This was about two former astronauts alongside a conspiracy theorist who discover the hidden truth about Earth's moon when it suddenly leaves its orbit.
- The event took off with one of the coordinators giving a brief introduction about the movie. Dr Ekta Ghate mam also interacted with students giving a short description of event and Astronomy.
- Students were provided with refreshments at interval of the movie.
- This event was a great success and concluded by a vote of thanks to all the audience who were present for the event.
