ORGANIZES

"National Level Project Competition 2023"

In Association with

**Dr. D. Y. Patil Institute of
Technology, Pimpri,
Pune-411018**

**MIT Art, Design &
Technology University
Loni Kalbhor,
Pune - 412 201**

**Modern Education
Society's College of
Engineering, Wadia
Campus
Pune-411001**

**Bharati Vidyapeeth's
College of Engineering
for Women, Pune-411043**

**JSPM's Bhivrabai Sawant
Institute of Technology &
Research, Wagholi,
Pune-412207**

About IETE

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading professional society, founded in 1953. The IETE is the National Apex Professional body of Electronics and Telecommunication, Computer Science and IT Professionals. It serves more than 1,25,000 members (including Corporate, Student and ISF members) through various 63 Centres, spread all over India and abroad. Government of India has recognised IETE as an educational Institution of national eminence.

The IETE focuses on advancement of the Science and Technology of Electronics, Telecommunication, Computers, Information Technology and related areas.

About IETE Pune Center

IETE Pune centre is the fourth largest centre amongst the 26 major centres in India. It was established on 27.02.1972. There are three sub-centres under its jurisdiction presently viz Kilhapur, Aurangabad and Nashik. Its jurisdiction is whole of Maharashtra State excluding Mumbai Metropolis and Raigad District

About Organizing Institutes

DIT Pimpri: Dr. D. Y. Patil Unitech Society's Dr. D Y Patil Institute of Technology Pimpri Pune, is situated in the vicinity of Pimpri - Chinchwad industrial belt. Since its inception the Institute has grown leaps and bounds to reach the present state of education colossal. The institute caters to nine UG engineering programs namely Mechanical, Civil, Computer, E&TC, Electrical, Instrumentation, IT, AI&DS, A&R, five PG programs namely Mechanical, Civil, E&TC, Computer & MBA and four PhD programs Mechanical Engg., E&TC Engg., Civil Engg. & Computer Engg., affiliated to Savitribai Phule Pune University (SPPU). The Institute is NAAC accredited with 'A' Grade with 3.26 CGPA. The Institute is ranked in top 200 Engineering Institutions in India including IIT's and NIT's in NIRF ranking framework by MHRD, Government of India. In this journey all eligible programs have been accredited by NBA. Institute has been awarded by SPPU as "Best College" under professional category (Urban) for the Year 2015.

MIT ADT : MIT School of Engineering has established in 2017 for imparting quality education to students. It offers Innovative, Unique and Industry relevant Fifteen B Tech as well as Seventeen M Tech courses and PhD programs in various disciplines. The students are trained here with leadership qualities and the capabilities to lead gigantic organisations. MITSOE is dedicated to provide the real world and practical academic exposure to the the students to make them the successful professionals.

MES's COE: With the motto 'For the Spread of Light', Modern Education Society has been pioneering the education sector since its establishment in 1932. The MES college of engineering in particular was founded in 1999 with the aim of providing the best education to aspiring engineers in the nation."

The Modern Education Society's College of Engineering conducts the following courses: Bachelor's Degree in Engineering & Master's Degree in Engineering." Bachelor's Degree: Computer Engineering, E&TC Engineering, Mechanical Engineering, Automation and Robotics Engineering. Master's Degree: Computer Engineering, Signal Processing, Mechanical Engineering Design.

BVCOEW: Bharati Vidyapeeth's College of Engineering for Women was established in June 2000, with the collective efforts of experts having long and outstanding academic experience in the field of professional education with the mission 'Social transformation through dynamic education.' At the College, emphasis is given to train the deserving young women who have an ambition to pursue higher education in engineering and are desirous of acquiring skills to meet the demands of fast growing industries, Technical Education and research facility. The College campus boasts of lush greenery that provides an academic ambience and a serene atmosphere far away from the hustle noises of the disturbing crowds of the city. The college built up area and the infrastructure is as per the norms of AICTE, New Delhi.

JSPM's BSIOTR: Bhivarabai Sawant Institute of Technology & Research (BSIOTR) is one among the competent engineering colleges, established in 2009-10 and is situated on a picturesque heart throbbing landscape at Wagholi on Nagar -Pune Road.

The institute offers Under Graduate courses in Electrical Engineering, Computer Engineering, Information Technology, Electronics & Telecommunication, Mechanical Engineering. The core strength of this institute is highly qualified, dedicated & experienced faculty, well equipped laboratories and state of art infrastructure. BSIOTR is a temple of knowledge where technocrats who are responsible for the techno-economic growth of the nation are produced. BSIOTR is a Organizational member of IETE, New Delhi and it has vibrant IETE Students' Forum(ISF).

About Project Competition

The main objective of the competition is to strengthen Project Based Learning through development of Innovative ideas using emerging technologies. The innovative thinking & implementation of these ideas will lead to product development satisfying the need of society and mankind and further fulfilling the "स्वावलंबी भारत" dream of Hon'ble Prime Minister.
