

Department of E&TC

BSNL RTTC VISIT REPORT

An industrial visit was organized for students of BE E&TC on **24/01/2020 to 25/01/2020**. One theory session (on introductory basics of GSM-architecture, Mobility management & Call PROCESSING overview) and the industrial visit to GMSC (Mobile switching unit) at Chinchwad. The theory session was conducted at RTTC BSNL Chinchwad at 11.00 am by Mr. Gulhane and after that Visit was conducted at GMSC Chinchwad at 14.00 hrs. Total 131 students of BE1 and BE2 were present for visit.

The venue for the theory session:- Regional telecom training centre Plot No 121/122 G Block, MIDC in front of hotel Bhole, near KSB Chowk , Nigdi Bhosari road, Chinchwad, PUNE-19

The venue for the visit :- GMSC, Chinchwad Telephone Exchange near Niramay Hospital & Chinchwad station Post office, Chinchwad station, Chinchwad pune -19.

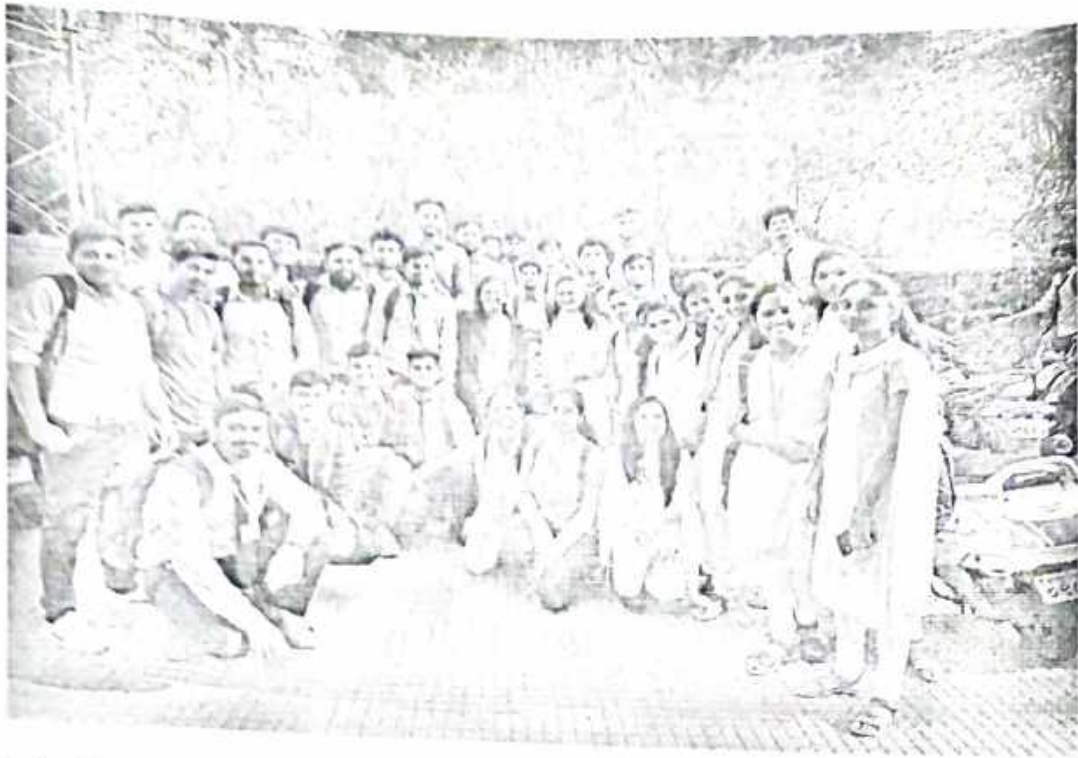

The BSNL course coordinator for the visit was Shri D.S. Borole -9422327101

The topics covered in the 120 minute lecture included:

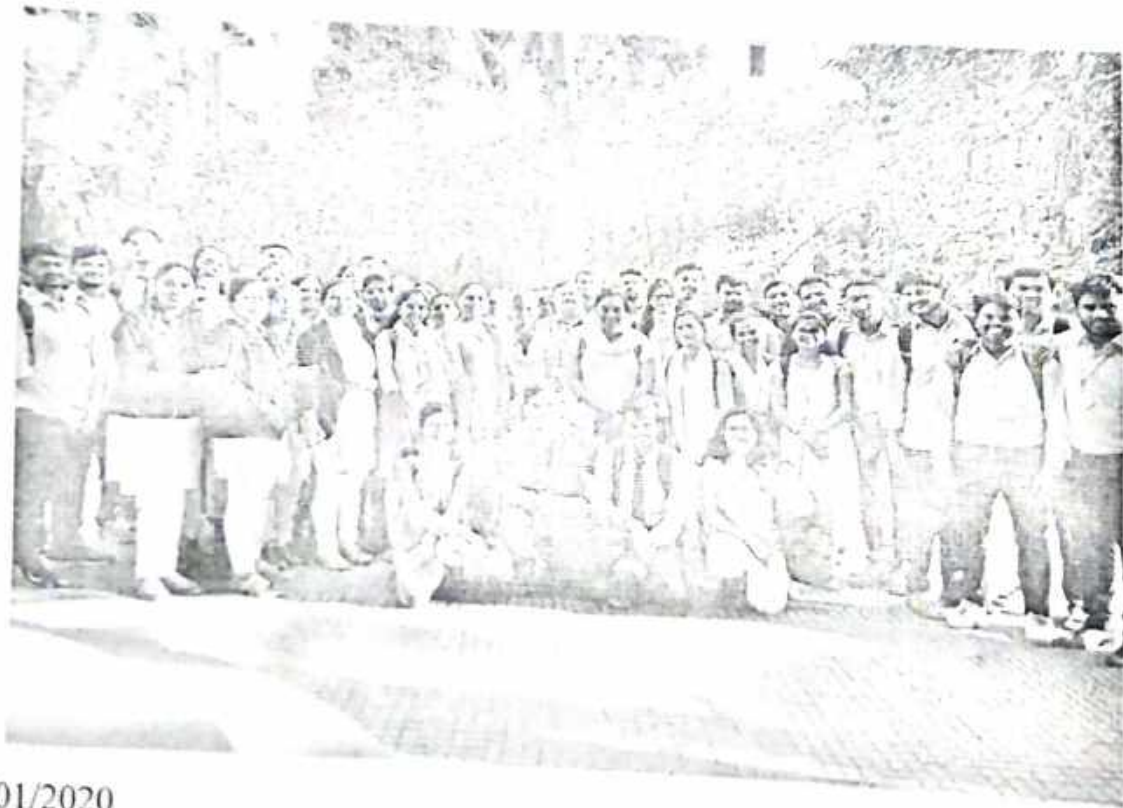

- 1 Overview of Mobile Communication
- 2 GSM Principles
- 3 GSM Network Architecture
- 4 GSM Upgradation
- 5 3G-UMTS
- 6 LTE Architecture
- 7 Future-what's next
- 8 5G Technology

After the lunch session we were taken to the exchange center where the components required for mobile communication were shown to the students. The officials there showed the structures of BTS, MSC's and how the connections are established using the routers available in the exchange. The officials there also stated the importance of the BTS and BSC's, MSC's for mobile communication and how care should be taken effectively for that. The visit was then concluded at nearly 4:30 p.m.

Prof. U. V. Bomble and Prof. M. M. Dhanvijay were the staff representative present.

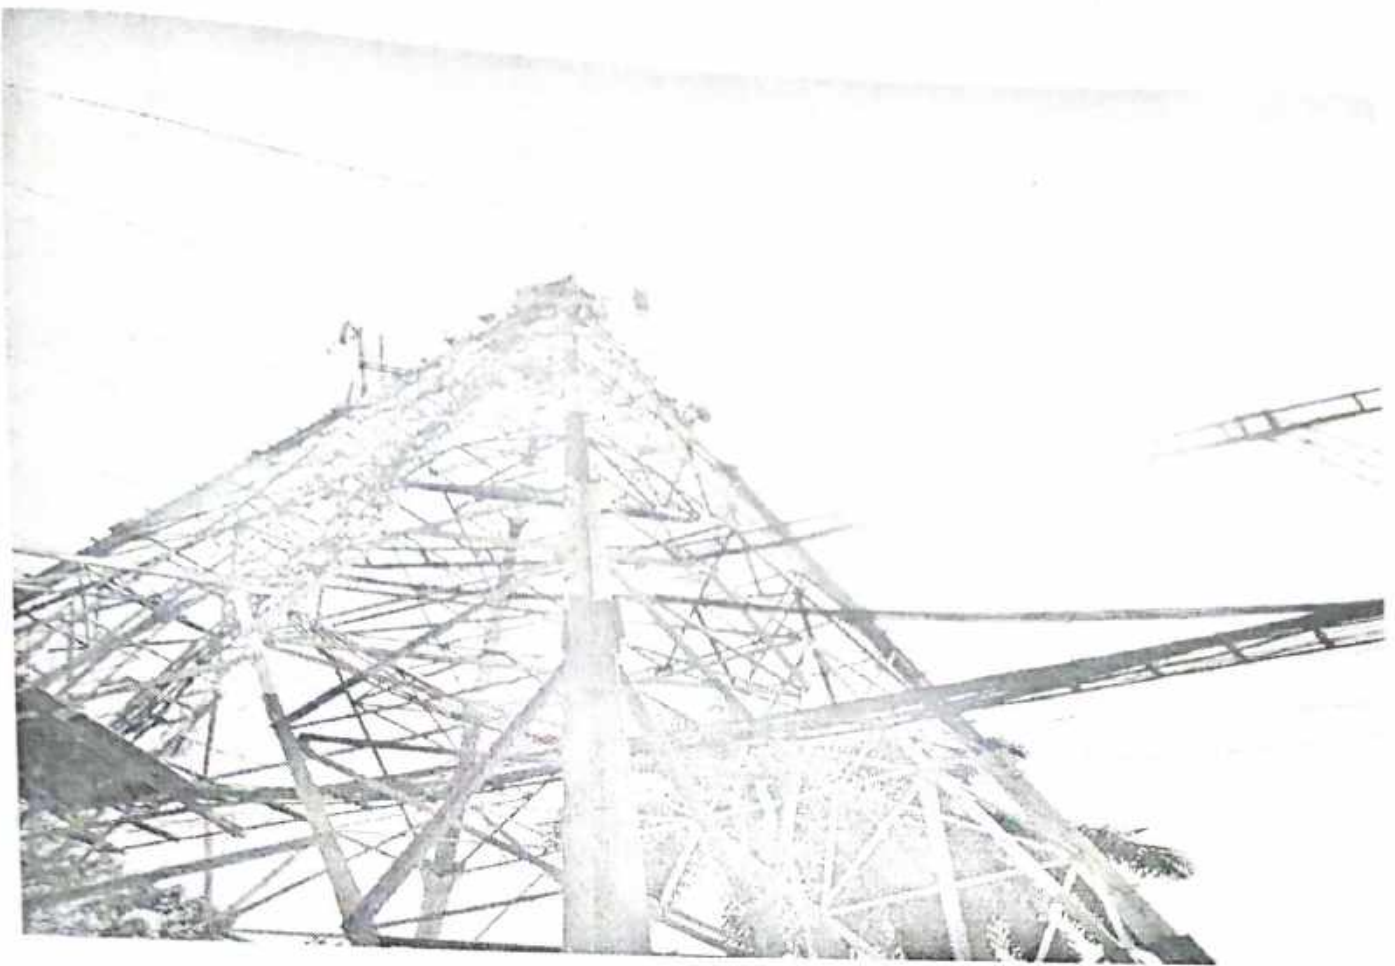

Day 1. 24/01/2020

Day 2. 25/01/2020

Visit at MSO, Chinchwad, Pune

Visit at MTSO, Chinchwad, Pune

Ref No.

Date : **Monday 24/09/2018**

Activity : **Industrial Visit**

Name of Activity: **Industrial visit to BAKER GAUGE IND PVT LTD.**

Objectives of Activity: To prepare students for

- 1 Students will be able to see the precision measuring instruments manufacturing
- 2 Students will be able to understand the thread metrology and manufacturing of thread gauges
- 3 Students will be able to see the working of CMM
- 4 Students will be able to get knowledge of different quality aspect in industry

Target group: TE Mechanical

Number of Present Students: 110

Total Number of targeted group of Students: 134

Resource Person Details

Name of Resource Person: Mr. Taizoon Baker/ Mr. VENKITRAMAN
Designation: MD/Dy. Gen. Mgr. (HR & ADMIN)
Organisation / institute: Baker Gauges India Private Limited, Pune

Activity Schedule

Duration : 18/09/2018 to 18/09/2018
Time : 07:45 AM
Venue: 1) Baker Gauges India Private Limited (BMI Division)
33-1-2, Nagar Road,
Pune-411014. India.
2)
33-1-2, Nagar Road,
Pune-411014. India.
Phone : 91-20-66093800
Fax : 91-20-66093888
Email : bakerbmi@bakergauges.com
Baker Gauges India Private Limited (HIP Division)
37-40, Viman Nagar,
Off Nagar Road,
Pune-411014. India.

Activity Organised by: Mr. K. A. Mahajan

Faculty Associated : Mr. P. S. Pandure

Brief Description of Activity:

MES College of Engineering, PUNE-411001
Department of Mechanical Engineering

TE A reported to HIP division on 7.45 am and TE B reported to BMI Division on 7.45 am. In HIP and BMI Division first Corporat VCD presentation were presented and then company visit was conducted. After the visit at 10.30 both the classes were exchanged and reported at 10.45 to HIP and BMI Divisions respectively.

Activity to PO linking: 1: Slight (Low), 2: Moderate (Medium), 3: Substantial (High)

PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12	PO13	PO14	PO15
3	2	1	2	3	1	1	1	2	3	1	3	3	3	1

Activity to PO Linking Justification

PO No	Level (1,2,3)	Justification For Activity to PO Linking in Level (1,2,3)
PO1	3	1) Engineering. specialization and fundamentals to the solution of complex engineering/ measuring problems.
PO2	2	2) Substantiated conclusion using 1st principles of mathematics
PO3	1	Appropriate consideration of public health and safety societal and environmental consideration.
PO4	2	Implementation of data, analysis and synthesis of information.
PO5	3	Modern tool used including prediction and modeling to complex engineering activities.
PO6	1	Professional Engineering practice about safety health and societal responsibilities.
PO7	1	7) Susubtatble development through professional engineering solution.
PO8	1	Professional ethics and responsibilities of the engineering practices.
PO9	2	Function effectively as a member of diverse team.
PO10	3	Comprehend and effective visit report.
PO11	1	Knowledge of engineering and management principles.
PO12	3	Lifelong learning in broadest context of technical change.
PO13	3	Use of principles of measurement, machine design, manufacturing, thermal and management to solve real life tools.
PO14	3	Modern modeling simulation and computational tools.
PO15	1	Practical solution of mechanical problem.

BSNL RTTC VISIT REPORT

BSNL is offering Free Training to the Unemployed youth on various Telecom Technologies with the support of Government of India under the Scheme Pandit Deendayal Upadhyaya Sanchar Kaushal Vikas Pratisthans (PDDU).

Objective of the scheme is to cater to the needs of skilled manpower for 'BharatNet' the flagship project of DoT aimed to provide digital connectivity to villages. Participants can opt any one training out of three trainings as mentioned below:

- Broadband Technician (only for Pune region)
- Tower Technician
- Optical Fibre Technician

Training outcome :

After completing this programme, participants will be able to:

Aggregate awareness of mining and equipment installation and configuring CPE: arrange and check access to site, tools, and cables according to guidelines

Comprehend and initiate the importance of reporting and recording: ensure all reports, CPE configurations, settings, and faults are documented for future reference.

Establish connection amongst service provider gateway, CPE and user device: ensure connectivity, settings and tests are properly executed.

Identify , locate and execute CPE faults, cable and connector faults: understand different types of cables, correct pairs, software required for installation and various tests for troubleshooting

Training Duration : 300 Hrs.

Certification : Certificate will be provided after successful completion of third party assessment.

Training charges : It is a Government aided scheme hence no training fee will be charged.

Total No. of students registered :109

No. of students failed :04

No of students absent: 02

Dates: Internship starts from April 2019.

Date : Monday 24/05/2021

Activity : **Guest Lecture**

Name of Activity: **Webinar on Internship opportunities EV and core areas of mechanical Engineering.**

Objectives of Activity: To prepare students for

- 1 To educate student about internship opportunities in EV and Core areas of mechanical engineering
- 2 To make aware student about different awareness courses in Electric Vehicle
- 3
- 4

Target group: SE, TE, BE Mechanical

Number of Present Students: 184

Total Number of targeted group of Students: 400

Resource Person Details

Name of Resource Person: Mr. Vikas Sharma,
Designation: Assistant Manager
Organisation / institute: ISIEINDIA, Noida, Delhi

Activity Schedule

Duration : 17/05/2021 to 17/05/2021
Time : 02:00 PM
Venue: Online

Activity Organised by: Mr. A. R. Patil

Faculty Associated : Mr.R.N.Yerrawar

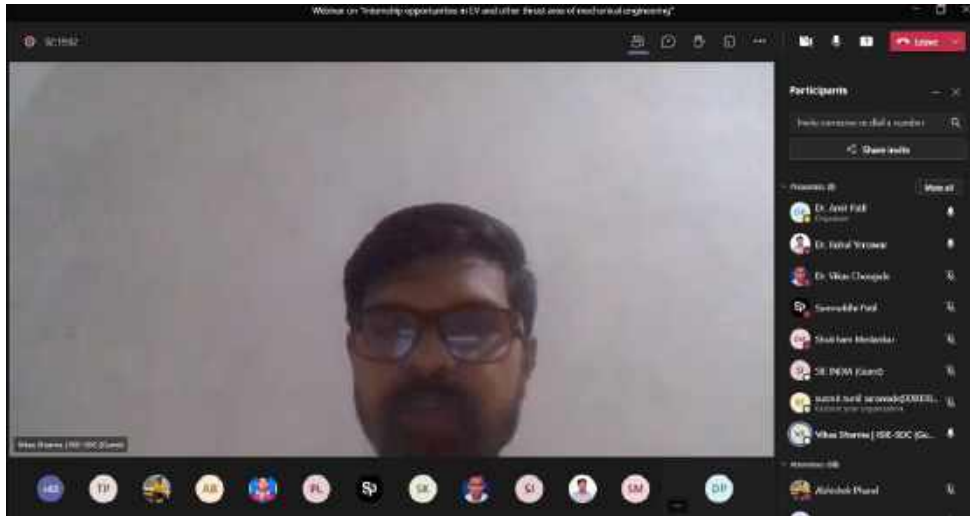

Brief Description of Activity:

The session started with welcome and Introduction of guests and few encouraging word by Dr. Sarawade Sir and Dr. Chougule Sir. In this webinar , Mr Raunak Choudhary Sr. Engg, ISIEINDIA started with discussion on Electric Vehicles and their scope in coming years. He also explain the basic of Electric vehicle and different areas where student can make career. After his technical session, Q & A session were conducted with students to solve the doubt regarding electric vehicles. Afterward Vikas Sharma -Asst Manager, ISIEINDIA explained about different internship program in EV and other core areas along with content. The session ended with vote of thanks by Dr. A. R. Patil. This session conducted under IIC MESCOE.

INNERVE 2020 (ETSA) REPORT

INTRODUCTION

A Departmental fest named INNERVE was organised by E&TC students' association on 10th February 2020 at Modern Education Society's College of Engineering Pune-01.

The event was inaugurated by Principal by ribbon cutting ceremony. The fest consisted 7 events in total. They were classified as technical and non-technical events and were organised for pure fun and recreational purposes.

BRIEF SUMMARY

Sr. no	Name of Event	Event Type	Event Heads	Price Money	Registration-n Fees	No Of Participants
1	Techno-hunt	Technical event	Mudasser Shaikh	1 st -2000 2 nd 1000	50	40
2	Google charades	Technical event	Yogeshwar Sapkal	1 st -2000 2 nd -1000	50	30
3	Math-O-mania	Technical event	Pooja Mhade	1 st -2000 2 nd -1000	50	34
4	Roadies 2.0	Non-technical	Pratiksha Kamble	1 st -2000 2 nd -1000	30	48
5	Blind Puri	Non-technical	Swapnajeet Shendkar	1 st -2000 2 nd -1000	40	50
6	Sherlock Holmes	Non-Technical	Sanjana Pardeshi	1 st -2000 2 nd -1000	30	40
7	Debate	Non-technical	Pranil Sakinal	1 st -2000 2 nd -1000	10	12

Before Inauguration.

Inauguration by Curtain Opening.

After Inauguration with all the respected Dignities and ETSA Core Team.

TECHNOHUNT.

GOOGLE CHARADES.

MATH-O-MANIA.

ROADIES 2.0

BLIND PURI.

SHERLOCK HOLMES.

DEBATE COMPETITION.

AFTER EVENT.

Conclusion

In conclusion as organizers of INNERVE 2020, we congratulate all the participants and winners on the successful edition of INNERVE. According to statistics a total of participants were enlisted. On 10th scheduled events were Sherlock Holmes, Debate Competition, Blind Puri, Math-O-Mania, Techno Hunt, roadies 2.0 and Google charades. All the events were conducted very smoothly without any discrepancies. Our marketing team was ready for on spot entries and any sort of enquiries raised by participants. Each event was assigned by faculty to oversee progress and smooth flow. The Two events which attracted the crowd most was Blind Puri and Roadies 2.0 and can be considered as main highlights of the fest. Due to our team motivation and hard work we were able to pull such an event after many setbacks. The total price money given was 21000. The budget sanctioned was 42000.

Thank you.

Activity Report

Activity: GUEST LECTURE
Speakers: Mr. Amey Paratkar
Designation: Product Manager, Harvestgrid Tnex, Pune
Topic: Guidelines for Selecting BE project
Date: 12.07.2018
Time: 12.30 to 1.30 PM
Venue: Seminar Hall-509
Class : All BE Students (168/237)

Objectives: 1.To understand different aspects of domain for selecting project.
2. To understand importance of sponsored projects.

Outcomes: 1.Students will get guidance for how to select the BE projects.

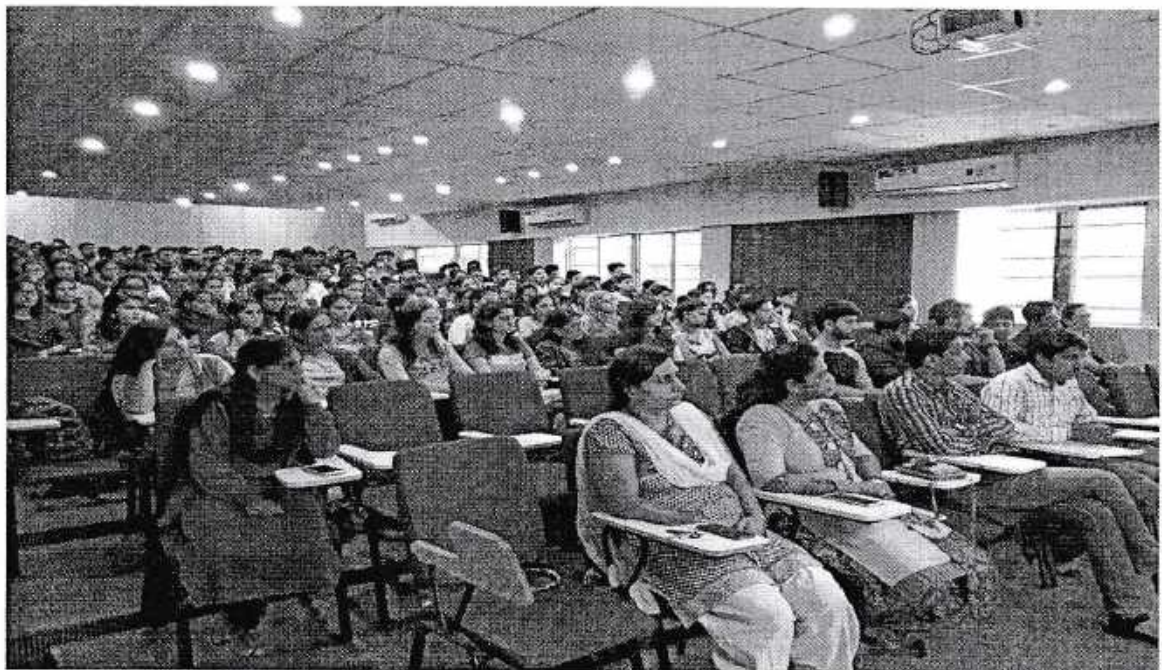

PEOs satisfied and POs achieved:

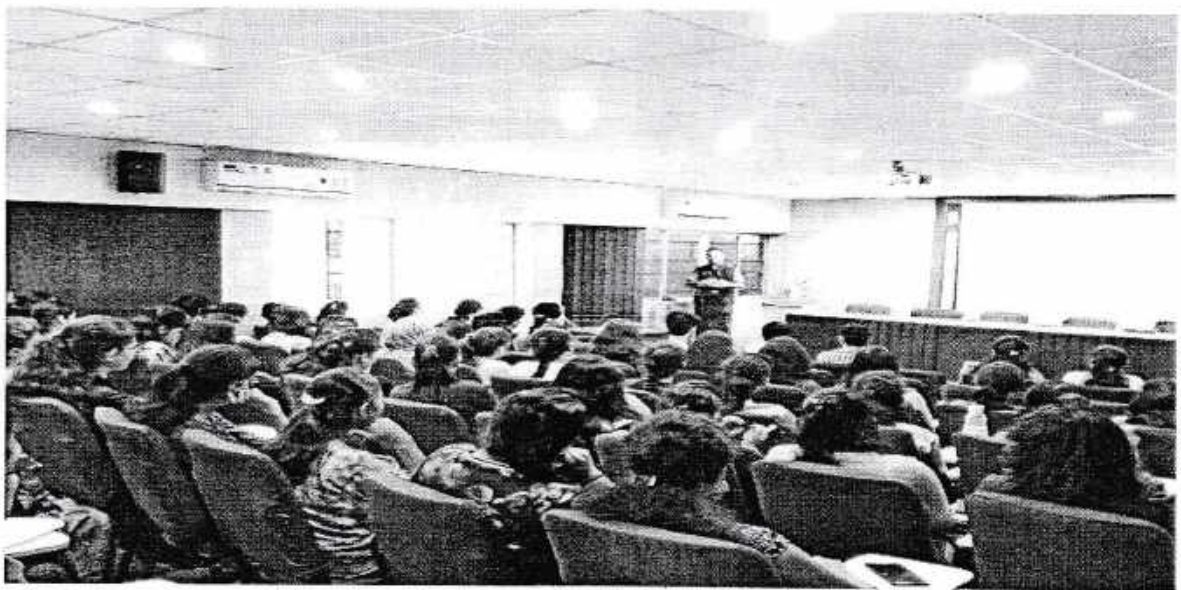

PSOs: 1, 3 PEOs: 1,5 POs:9,11,12

Activity Report:

A guest lecture on “**Guidelines for Selecting BE project**” was successfully arranged and conducted with an excellent interactive session on 12th July 2018, by Department Of Computer Engineering, MESCOE, which witnessed an enthusiastic response and participation from all BE students. Felicitation of the speaker, **Mr. Amey Paratkar, Harvestgrid Pune** , by hands of Prof. S.S. Raskar

The whole session was totally Question-Answer and interactive session. He clears all the basic concepts of students regarding selecting BE Projects. He explained and discussed several steps involved in sponsor projects. He has given various domains idea which students can select like Networking, Data mining, IOT , Big Data etc. He then proceeded with current scenario of IT industry.

Academic Year: 2020-21

Semester-I

Date: 05/12/2020

Name of activity: Online Guest Lecture on “**Research Trends and Job opportunities in RF/Microwave Industry under Defence Sectors**”.

Objectives:

- 1. To create the awareness about RF/Microwave domain in Defence R&D Sector**
- 2. To motivate the students to select core electronics as their career.**
- 3.To enhance Alumni interaction with current students .**

Name of the Guest Speaker: Dr.Shivraj Rathod (Alumni of E&TC, MESCOE)

Dr S. M. Rathod has received the B.E degree in Electronics & Telecommunication Engineering from MES College of Engineering, University of Pune in 2012. He received both M. Tech and PhD degree in Electronics Engineering from Veermata Jijabai Technological Institute (VJTI), in 2015 and 2019, respectively. Currently, he is an Assistant Manager in Defence R & D Division of Kalyani Centre for Technology and Innovation (KCTI), Bharat Forge Limited (BFL)-Pune. Now, he hold the position of coordinator for “Centre of Excellence in RF & Microwave Technology” at Defence R&D Division of BFL, Pune. He is coordinating the team members at KCTI group for the Indigenous development of various Radar systems for Ministry of Defence under Indian Design, Development and Manufacturing (IDDM) category with Make in India Scheme for Defence production.

He started his presentation by giving introduction of Bharat Forge and its different campuses and their different products .He nicely explained the importance of basic subjects like DSP,DIP,and Electromagnetics,Electronics Design and many more and their applications in Defence industry.He explained the different job opportunities in RF and Microwave area.

Guest Speaker shared his personal experiences,the difficulties faced by him,the efforts taken etc.Dr.Shivraj’s Journey was really motivational .

He also explained about the internship opportunity in BFL,scholarship students can get in BFL.

Target Audience : TE and BE students

No.of Staff Present : 08

No. of Students Present: 70

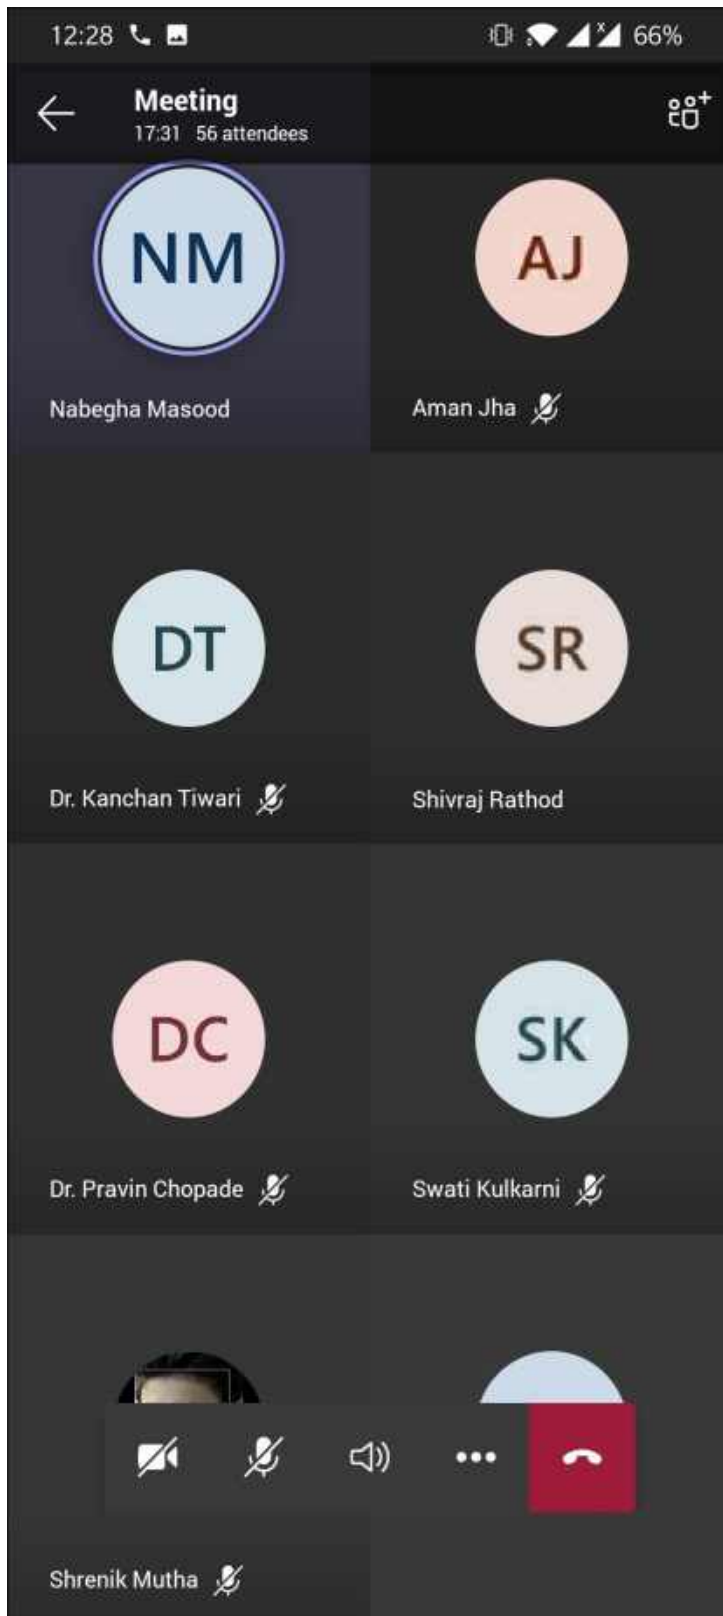

Day &Date: , 5th December 2020.

Time frame: 11 AM to 1 PM

Date : Saturday 30/10/2021

Activity : **Guest Lecture**

Name of Activity: **Guest Lecture on Power of optimization for Smart product development .**

Objectives of Activity: To prepare students for

- 1 To spread awareness about products Altair university
- 2 To bridge the gap between industry and academia
- 3 To make the students industry ready with the Altair training portal for students
- 4

Target group: SE, TE, BE Mechanical

Number of Present Students: 86

Total Number of targeted group of Students: 350

Resource Person Details

Name of Resource Person: Mr. Ramesha BS
Designation: Sr. Manager-Academic, CSR and Startup Initiative
Organisation / institute: Altair India

Activity Schedule

Duration : 06/10/2021 to 06/10/2021
Time : 02:00 PM
Venue: MS Teams Online

Activity Organised by: Mr. S R Kandharkar

Faculty Associated : Dr. V. N. Chougule

Brief Description of Activity:

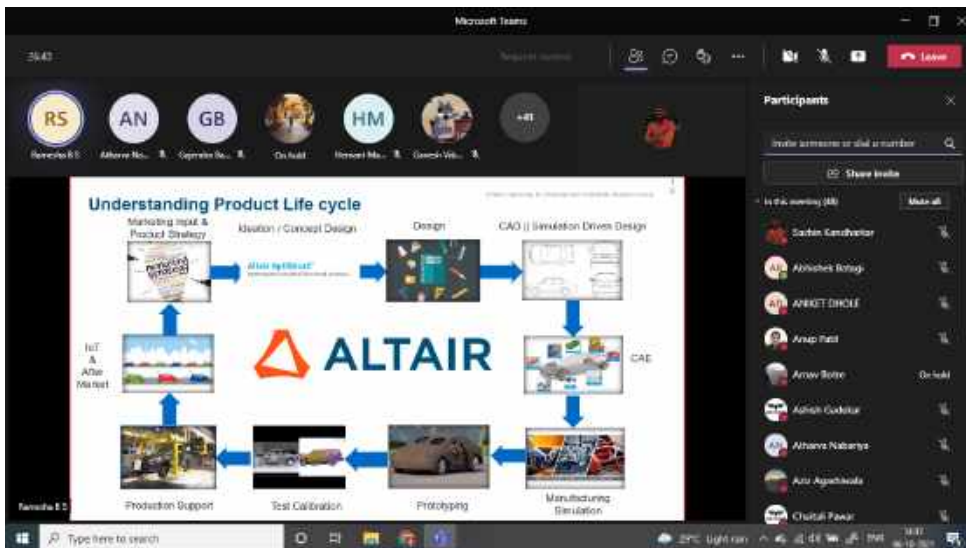

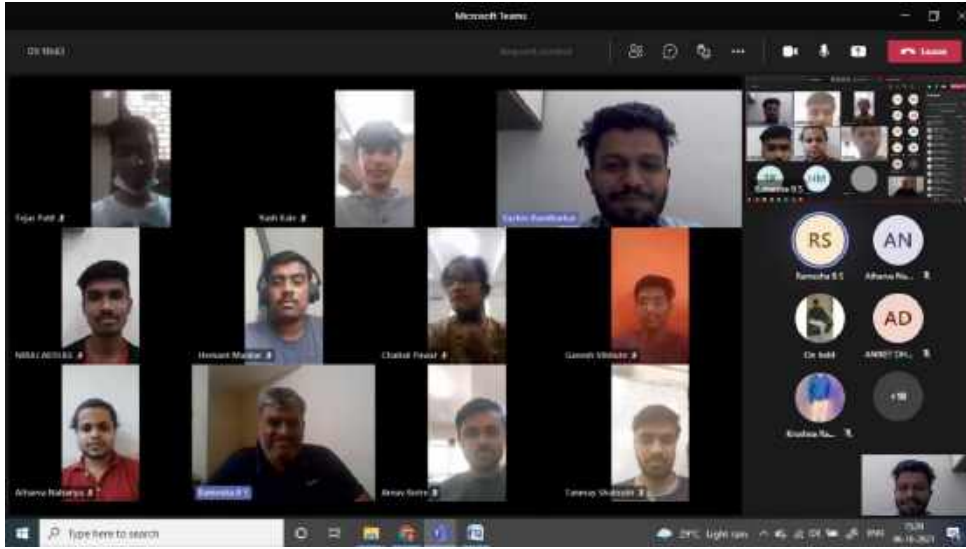

The activity was organized to spread awareness about initiatives taken by Altair to bridge gap between Academia and Industry, create a Platform and facilitate interaction. The activity was about making students familiar with products of Altair available for students. So students can learn them online and build their profile by appearing relevant exam of respective course. After successful completion, a profile of student is created and shared with all Global users of Altair. This is a very unique and state of the art facility of Altair

Activity to PO linking: 1: Slight (Low), 2: Moderate (Medium), 3: Substantial (High)

PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12	PO13	PO14	PO15
2	2	2	1	3	0	1	2	2	1	1	2	2	3	2

Activity to PO Linking Justification

PO No	Level (1,2,3)	Justification For Activity to PO Linking in Level (1,2,3)
PO1	2	Basic engineering mathematics and principles of engineering are much required for any engineer
PO2	2	Identification and formulation of complex engineering problems using first principles of mathematics, natural sciences, and engineering sciences
PO3	2	Designing the solutions for complex engineering problems and design system components
PO4	1	Use of research-based knowledge and research methods including design of experiments, analysis and interpretation of data
PO5	3	Use of modern engineering tools
PO6	0	
PO7	1	Understand the impact of the engineering solutions in societal and environmental contexts
PO8	2	Apply ethical principles and commit to professional ethics
PO9	2	Function effectively as an individual, and as a member or leader in diverse teams
PO10	1	Communicate effectively on complex engineering activities
PO11	1	Demonstration of knowledge and understanding of the engineering and management principles
PO12	2	life-long learning in the broadest context of technological change
PO13	2	Apply principles of machine design, manufacturing, thermal engineering
PO14	3	Use of modern modeling, simulation techniques and computational tools
PO15	2	Develop practical solutions for mechanical engineering problems

Ref No.

Date : **Sunday 19/07/2020**

Activity : **Guest Lecture**

Name of Activity: **One Week Student skill Development Workshop 2020 (SSDW 2020) : Latex.**

Objectives of Activity: To prepare students for

- 1 To develop skill of students which then can use to improve their performance
- 2 To teach them Document writing Tool used in academia
- 3 To educate them on Report writing using Latex
- 4

Target group: SE, TE, BE Mechanical

Number of Present Students: 40

Total Number of targeted group of Students: 160

Resource Person Details

Name of Resource Person: Prof. (Dr.) V. N. Chougule, Prof. A. R. Patil, Prof. S. M. Narsale and Spoken Tutorial Videos

Designation: Faculty

Organisation / institute: M. E. S. College of Engineering, Pune

Activity Schedule

Duration : 13/07/2020 to 20/07/2020

Time : 11:00 AM

Venue: Web Based Training Program

Activity Organised by: Mr. A. R. Patil

Faculty Associated : Dr. V. N. Chougule

Brief Description of Activity:

Activity was conducted for one Week, Each day on different modules of Latex. First Day started with address video message by Prof. Sampada Joshi (COO, M E S) and live web session by Prof. (Dr.) V. N. Chougule (HoD, Mechanical Dept., MESCOE). Afterward hands on Session by difference resource person along with Training videos by Spoken-tutorial were conducted. Every day assignment were given and their doubts were discussed in afternoon session at 4.00 pm This activity is concluded with exam and passing students were given certificates.

Mechanical Engineering

Academic Year: 2020-21

Semester-II

Date: 16/1/2021

Name of activity: Online on “Linux for Embedded Engineer “.

Objectives:

1. To gain a strong foundation in Linux from scratch.
2. To help students master important Linux concepts such as Linux installations, Packages, Architecture, File System .
3. To enhance Alumni interaction with current students.

Name of the Guest Speaker: Mr.Tejas Vasekar (Alumni of E&TC, MESCOE)

Mr.Tejas Vasekar has received the B.E degree in Electronics & Telecommunication Engineering from MES College of Engineering, University of Pune in 2017.Currently, he is.

Working as Firmware Engineer at AMS semiconductor Hyderabad .He has 2.5 years of experience in Firmware Engineering ,worked on multiple HW platform .The topics covered during the session are as follows .

1. Linux introduction
 - Distros
 - File structure
2. Linux basics
 - Directory structure of /
 - App installation
 - App finding
 - Open source alternatives
 - Gaming
3. arm-none-eabi setup
 - Setting up different cross compilers.
4. Make file introduction
5. Make file example analysis
6. Make file project
7. Git introduction
8. Git basics
9. Git example

Guest Speaker shared his personal experiences,the difficulties faced by him,the efforts taken etc.

Target Audience : SE ,TE and BE students

No. of Students Present: 77

Day &Date: , Saturday ,16 January 2021

“Failing to plan is planning to fail”

Time frame: 11 AM to 5 PM .

“Failing to plan is planning to fail”

**Modern Education Society's
College of Engineering, Pune
&
Board of Students' Development
Savitribai Phule Pune University, Pune**

Name of activity: " Four days workshop on Ideation and Entrepreneurship in IOT", on 8th Feb, 9th Feb and 7th March, 8th March 2020

This scheme is introduced by the Board of Students' development, Savitribai Phule Pune University under workshop/seminar/other activity and is jointly organized by Department of Electronics and Telecommunication Engineering, Modern Education Society's College of Engineering, Pune, This program is organized for E&TC Engineering students.

About Speaker

1. Mr. Aniket Vykos
2. Mr. Vishal Deshpande
3. Mr. Abhijeet Ankush

Topics Covered

- Introduction to basics of IOT
- Bottom up approach for IOT
- Basic Build Blocks of IOT
- Sensors, Microcontroller, Gateway/Access Point, Cloud, Client
- Sensor types, Microcontroller, Sensor Interfacing, Data Acquisition.
- Gateway, Data Packing and publishing to server.
- IP Protocols, RF communications between microcontrollers and gateway.
- Cloud Platform, Data Monitoring, Data Analysis.
- Client, Controlling connected devices.

Objectives:

1. To expose students to the latest technology and innovations.
2. To generate breakthrough ideas and transform them into revolutionary innovations in the various fields using IOT.

Outcomes:

Students will be able

1. To implement knowledge of IOT
2. To apply IOT concepts to different problems.

PEO s satisfied and POs achieved

PEO s: 1,5

POs: 3,5,12

PSOs: 1,3

Target group: E&TC Engineering students.

No. of students Present: 39

Duration: Four days, 8th Feb, 9th Feb and 7th March, 8th March 2020

Venue:

Time frame: 09.00 am -05.00pm (6 Hr)

Budget Rs: 45000/-

Snaps of the events-

Inauguration and felicitation of Resource Person

REPORT ON

“JHANKAAR - 2018”

वसुधैव कुटुम्बकम्

MODERN EDUCATION SOCIETY'S
COLLEGE OF ENGINEERING, PUNE-01
Accredited by NAAC with “A” Grade

Vision of Institution:

- To Groom- Motivated, Environment friendly, Self-esteemed, Creative and Oriented Engineers.

Mission of Institution:

To Develop Industry Oriented Manpower to accept the challenges of Globalization by,

- Promoting Value Education through motivated trained faculty.
- Maintaining conducive environment for education at affordable cost.
- Promoting Industry Institute interaction.
- Involving Alumni.

Goals and Objectives of the Institution:

1. To ensure **all-round development** of students by providing co-curricular, extra-curricular and entrepreneurship skills.
2. To imbibe research culture in students and faculty by providing state-of-the-art research facilities and Industry Institute interaction.
3. To inculcate moral integrity in students and make them **socially responsible,** good human beings.
4. To develop **leadership qualities** and the ability to work as a team among students by encouraging participation in various activities.

Cultural Activities Team (CAT) OF MESCOE

Introduction

Cultural activities are an integral part of students' college life. Students participate in the cultural activities for a wide variety of reasons: for enjoyment and entertainment, for personal growth and development, as a means of expression, to learn new skills, to meet new people and to pass on the cultural traditions. M.E.S. College of Engineering has a rich heritage of nurturing, nourishing and showcasing talents in the fields of cultural, literary and fine arts. To showcase student's talents college gives a platform of **JHANKAAR** (Annual Gathering).

Structure of CAT

MESCOE CAT is headed by Principal, Registrar, Cultural Head, Student General Secretary, Student CAT Secretaries, Cultural Activity Committee, aided by the Heads of various departments, the student presidents of different clubs and the student volunteers.

Objectives of CAT

- The main objective of the CAT is to bring out the various talents of the students.
- To provide a platform for budding artists and musicians
- To inculcate team spirit and to account for overall personality development of students.

Motivation to Students

- MESCOE CAT motivates students by giving full support (financially and academically) for participation in national and international events.
- Students are encouraged to participate in the activities by providing the necessary instruments and required facilities.

Cultural Activities Team (CAT) OF MESCOE 2017-18

Post	Name
Chairman	Dr. A. A. Keste
Vice- Chairman	Dr. V. N. Raibhole
Member	Mr. S. S. Ingole

Department Staff Co-ordinators	Prof. L.K. Guttadar (E&TC) Prof. P. M. Ambure (E&TC)
	Prof. S. R. Balwan (COMP) Prof. S. A. Salve(COMP)
	Prof. A. A. Patil(MECH) Prof .C. B. Meshram (MECH)
Student Cultural Secretary	Mr. Shekhar Suryawanshi
Student Core-Committee	Ms. Komal Walke(DCS-MECH)
	Ms. Priyanka Dhivar
	Mr. Niraj Bhapkar
	Mr. Pranav Thanedar(DCS-COMP)
	Mr. Akshay Shinde
	Mr. Soham Bhoj
	Mr. Nayan Kolekar(DCS-E&TC)
	Mr. Vicky Wakpanjar
	Ms. Rashmi Gawande
Student Ladies Representative	Ms. Kanchan Sonar
	Ms. Pradnya Botre

Students Representative, Cultural Secretary & Representative: In the first student council meeting of the academic year 2017-18 Students Representative, Cultural Secretary & Ladies Representative was elected from the interested students.

Student core-committee: Notices were displayed for seeking student's interest in various activities. Student core-committee from various departments was selected on basis of experience in cultural activities, willingness, management skills, creativity, etc.

Responsibilities of core-committees:

1. Discussion of various events.
2. Finalization of dates and venue.
3. Preparation of Annual Cultural calendar for 2017-18.
4. Discussion of resources and budget for the events.
5. Preparation & sanction of Budget.
6. Selection and Distribution of work to the sub-committees.
7. Selection of D.J.
8. Conveyance of Rules to sub-committees.
9. Approval of the proposed audition dates, venue, budget & resources by the sub-committees.
10. Preparation and display of cultural week schedule.
11. Preparation of itinerary of Jhankaar-2018 event.
12. Submission of bills.
13. Preparation of Report.

Rules for Events

1. Year Down and outside students are not allowed to participate in any of the activities.
2. Weapons, Big vehicles and Animals or any other threatening activities (Explosives material, fire etc.) will not be allowed in the premises.
3. Compulsion of Identity Card for each event.

Responsibilities of Event coordinators

1. Responsibility of issued resources will be with the respective co-ordinators.
2. Display of Notice for respective events with reference number with prior information.
3. Registration form for entry.
4. Take audition according to the registration and the declaration date.
5. Select a judge panel for the audition and the rules for selection.
6. Execution of Audition.
7. Final report with the list of participants.
8. Budget and get sanctioned.
9. Strictly follow the schedule.
10. Submit winner and runner-up of competition if taken.
11. Instruction delivery must not be affected during cultural week.
12. Submit Event report with Photographs with list of document mentioned below
 - i. List of staff in charge and student in charge of respective activity
 - ii. Signed displayed Notice of start and end date of registration and audition date.
 - iii. Rules of selection procedure and student registration forms.
 - iv. Names of judges and their report.
 - v. Audition report.
 - vi. Final report with the list of participants and duration of performance of each participant.
 - vii. Sanctioned budget and expenditure report.
 - viii. Difficulties faced during conduction of activities
 - ix. Suggestion if any to improve activity

Sub-Committees

This year, we formed 34 organising committees to complete all tasks in suitable manner. We deployed students from B.E. & T.E. as co-ordinators & sub co-ordinators in each committee. Students from second year worked as volunteers. Not only it helped us for easy management but also more and more students became part of JHANKAAR & got the opportunity to brush up their management skills. We had separate system running simultaneously for each task without any conflictions. Core committee kept keen watch on the working of each sub-committee.

We had various meets of core committee as well as separate meetings of sub committees as per their requirement. But a part of that, most important part was to conduct general meetings (open to all) of students. We conducted several general meetings this year. Main motive of it was to inform each and every student from college about what is happening under Jhankaar & to clear the doubts as well as take suggestions from them.

This concept of micro-management helped distribute the work load to various committees and work more efficiently.

श्री. नितीन विठ्ठल दिवेकर वय-३० रा.आंबेगाव बु. पुणे मो-८३०८८०६२५७

ज्याज्या आपण अभिनव एज्युकेशन सोसायटी इंग्लिश मेडियम स्कूल आणि ज्युनियर कॉलेज या कॉलेजमध्ये लेखनिक म्हणून नोकरीस आहात. आपले कॉलेजच्या वतीने दिनांक २०/१२/२०१७ रोजी सकाळी ०९.०० ते २१.०० या वेळात श्री गणेश कला क्रिडा रंगमंच येथे वार्षिक स्नेहसंमेलनाचा कार्यक्रम आयोजित केले बाबतचे पत्र इकडील कार्यालयात सादर केले आहे. सदर कार्यक्रमास मा.सहापीर मुक्ता टिळक, सभागृह नेते श्री.श्रीनाथ भिमाले, डॉ.शा.ब.मुजुमदार हे मान्यवर म्हणून उपस्थित राहणार आहेत. त्याअनुषंगाने कार्यक्रमा दरम्यान खालील मुद्द्यांवर लक्ष केंद्रित करून त्याचे उल्लंघन होणार नाही याची खाबरदारी घ्यावी.

१. कार्यक्रमांमुळे दैनंदिन वाहतुकीस अडथळा येणार नाही याची दक्षता घ्यावी.
२. कार्यक्रमांमुळे आजूबाजूचे रहिवासी लोकांना त्रास होणार नाही याची दक्षता घ्यावी.
३. स्पिकरच्या आवाजाची मर्यादा ५००० वॉल्ट्स / स्पिकरची मर्यादा २ ओहम पेक्षा जास्त राहणार नाही याची दक्षता घ्यावी. (शासन निर्णय क्र. ध्वनीप्रवृत्त/२००२/प्रक्र-३ दि. १६/८/२०००) प्रमाणे मर्यादीत ठेवावी.
४. कार्यक्रमाचे वेळी स्त्रिया/मुली यांची छेडछाड तसेच आक्षेपाईत वर्तन होणार नाही याची दक्षता घ्यावी.
५. कार्यक्रमा करीता आपले काडील स्वयंसेवक/सुरक्षा रक्षक नेमावेत.
६. कार्यक्रम दिलेल्या वेळेत संपवावा व पोलीसांनी दिलेल्या सूचनांचे पालन करावे.
७. मा.सुप्रीम कोर्टाने ध्वनीक्षेपका बाबत व आवाजाच्या मर्यादे बाबत जारी केलेल्या आदेशाचे पालन करावे.
८. न्यायालयाने हरकत घेतल्यास अगर सार्वजनिक शांततेच्या कारणावरून पोलीसांनी सामितलेस कार्यक्रम बंद करावा.
९. कार्यक्रमाचे ठिकाणी अगली प्रदायांचा वापर करणेचा ठावळाचा अगर तसे आडवळ्यास कायदेशीर कारवाई करण्यात येईल याची दखल घेण्यात यावी.
१०. कार्यक्रमास महत्वाच्या व्यक्ती येणार असतील तर तसे संबंधित पोलीस ठाण्यात आगाऊ कल्पना द्यावी.
११. कार्यक्रमा साठी स्वतंत्र व पुरेशी पार्किंग व्यवस्था करण्यात यावी.
१२. कार्यक्रमाचे ठिकाणी कार्यक्रमापूर्वी घातपात विरोधी तपासणी करून घ्यावी.
१३. कार्यक्रमाकरीता येणा-या व्यक्तींची व सामान्याची तपासणी करूनच प्रवेश द्यावा. व त्यासाठी स्वयंसेवक नेमावेत.
१४. कार्यक्रमाचे ठिकाणी आग प्रतिबंधक उपाय योजना करावी. विद्युत् पुरवठा सुरक्षित असल्याची खातरजमा करावी.
१५. सदर ठिकाणी कार्यक्रम करण्यास मा.न्यायालयाचे बंधन असल्यास त्या ठिकाणी कार्यक्रमाचे सादरीकरण करण्यात येवू नये.
१६. सादरीकरण करण्याकरीता मा.जिल्हाधिकारी कार्यालय यांचेकडील करमणूक कर विभाग यांची परवानगी घेण्यात यावी.
१७. कार्यक्रमाचे आयोजना दरम्यान कोणाचाही प्रकारे अनुचित प्रकार घडलेस त्याची सर्वस्वी जबाबदारी आयोजकांची राहणार आहे.
१८. सदर कार्यक्रमास सर्व जाती व वर्णांचे लोकांना प्रवेश देण्यात यावा.
१९. कोणाचाही धार्मिक अथवा जातीय भावना नुखावल्या जातील अशा आक्षेपाईत प्रतिमांचे प्रदर्शन, घोषणा देणे, गाणी किंवा वाद्य वाजविणे, हावभाव करणे किंवा तत्सम प्रकार करू नये.

वर नमूद मुद्द्यांचे उल्लंघन होणार नाही या बाबत दक्षता घ्यावी अन्यथा आपल्या विरुद्ध महाराष्ट्र पोलीस अधिनियम कलम १४० प्रमाणे कायदेशीर कारवाई करण्यात येईल याची नोंद घ्यावी.

(b) Photography: 02

(c) Sculpture:01

(d) Paintings& Sketching:08

Inauguration of art gallery was held on 26th Dec'17 and art gallery continued up to 2nd Jan 18

Students were judged by the respective teachers who were present for the inauguration of art

Gallery on the basis of Idea used, Moral of the art work, Creativity and perspective of the students.

Problems Faced:

1. Art work submitted by student was not on time.
2. Decoration limits, due to no place to hang or drill on the wall.
3. Difficult to have lights effect due to outdoor location.

Suggestions:

1. Art work submission process should start very early as soon as possible.
2. College should motivate the art work of student during the event.

3. Guest from the art world should be invited(can be local artist).
4. College should provide platform for live performance.

Winners and runner up names of ART GALLERY.

7.Report of activity:

The days celebrated in Jhankaar 17-18 reflected the mix emotion of old and modern lifestyle. Character Day, Twins Day, Tapani Day celebrated as the old day fashion in a glimpse; whereas Red Carpet Day, Selfie Day and Groupfie Day represented the modern lifestyle. On tradition day students opted traditional attire. That proved the saying for our beloved nation “Vasudhaiv Kutumbkam”(The World is my family).

Report Generation Committee Views

Staff co-ordinators :	Prof. P. H. Mohite Prof. H. S. Salave Prof. S. B. Shinde
Student co-ordinators	Mr. Aman Pawar Ms. Bhagyashree

Plan of action

1)Plan	1. Follow up of reports from all committee in charges. 2. Collection of soft copy in required format
2)Requirements	Paper Rim 2 Colour print outs
3)Budget	Stationary from office and colour print out from Comp. Dept.
4)Activities carried out	Rough report is forwarded to all committee in charges to verify their respective report.

Report of activity:

As it is required to collect the reports in proper format from all committees, it takes lot of time to complete Jhankaar report 2018. After collection all reports, all reports are combined in one copy. For further correction rough report is forwarded to all committee in charges to verify their respective report and then final copy is created.

Problems Faced: Collection of all reports in proper format in given deadlines.

Report and suggestions from student Core Committee

The teams for Jhankaar 2018 were formed in first week of September. The planning of the programme also started simultaneously. The staff and students were all set to start with the preparations. Everyone including the staff members, students and non-teaching staff took all the efforts for the success of this program.

All the events took place on decided day and time. Everything was well co-ordinated. No programme is possible without small problems and Jhankaar 2k18 was no exception. There were slight problems during the execution of the tasks which actually happened rarely but was really well handled and managed by the respective co-ordinators. The staff members were very supportive and understanding. They helped the co-ordinators in planning and execution of programme.

Even during curfew in Pune staff and the core committee members were present in college because the final show was to happen the next day itself. The dedication if the management members is worth a word of appreciation. The enthusiastic participation of students for dance, art gallery, singing and all other competitions was overwhelming.

The final programme took place in a very organised way, just the way it was planned. Every person present on stage, at back stage and everyone in the management team is responsible for the success of this programme.

The extra benefit we team members got from this programme was the enhancement of our management skills and leadership qualities, we met new people and it was an amazing experience to be a part of such a great team. Everyone has equally worked hard for the successful execution of Jhankaar.

-Shekar Suryawanshi
Cultural Secretary (2016-17)

The event was very successful. But the participation of the students were not upto the mark. The period of Jhankaar was not right as during that period 2nd year and 1st year exams were going on. It should be in the month of Feb. So it will attract more no of students. Not necessary to celebrate all days , only few days should be celebrated like Traditional day,DJ, Fun Fair etc. Quite happy for the support from teaching staff

- Nayan Kolekar (E&TC)

The event was quite successful. All the provisions were excellent and staff was also very supportive. But the staff should have been more supportive as during “Days Celebration” their contribution was very less. Also from next time it will be nice if the days celebrated were less.

- Kanchan Sonar (E&TC)

The main event was successful. All the staff leading upto the event was not supportive. Some staff members did not try to understand and students point of view and misunderstandings were created which were taken up to unnecessary heights. Only those days should be celebrated where the students involvement is more. Staffs enthusiastic involvement would be highly appreciated.

Conference Report

Name of the Activity: ACCET 2021- National Conference

Date of Activity: 19 / 06 / 2021

Venue: Online on Microsoft Teams Platform.

IETE Pune Center approved and IEEE Signal Processing Society Sponsored, 7th National Conference on 'Advancements in Communication, Computing and Electronics Technology [ACCET-2021] was organized by the Department of E&TC Engineering on 19th June 2021. There has been a huge response to the call-for-papers for the Conference ACCET-2021.

Around 74 numbers of full length papers have been received from the researchers, academicians and industry persons of the leading organizations, institutes and industries, not only from Maharashtra like Nashik, Baramati, Ahmednagar, Shirpur, Karad, Jintur, Solapur, Nagpur, Akola and Pune region, but also from out-states places such as Tamilnadu, Karnataka, Bihar, Chhattisgarh, West Bengal, Andhra Pradesh, Jharkhand, Rajasthan, Haryana.

A committee of 21 reviewers put in their efforts to filter 69 good quality technical papers out of approximately 74 received ones. Total 57 Paper were presented on the day of conference. The observations and suggestions by the reviewers were helpful to the authors for further improvements in their papers. A total of 31 papers are sent for publication in IOSR-JEN.

18.	Dr. Varsha Harpale	PCCOE, Pune
19.	Prof. Anagha Kunte	MMCOE, Pune
20.	Dr. D. K. Shedje	AISSMS IOIT
21.	Dr. B. D. Jadhav	JSPM, Tathawade

The conference was approved by IETE Pune centre and Sponsored by IEEE Signal Processing Society Pune division. Selected Papers will be published in Scopus / UGC listed Journal and author will bear the cost of publication.

In order to motivate the participants, we have announced the 'Best Paper Award' for the papers from each category. By and large these technical papers added a true value in current research and development trends in the field of Communication, Computing and Electronics Engineering.

ACCET-2021 Schedule

June 19th, 2021 Saturday,
09:30 – 10:50 Opening Ceremony
11:00 – 12:30 Keynote Sessions
12:30 – 13:00 Lunch Break
Online Oral Presentations
13:00 – 16:00
Sessions: S1,S2,S3,S4,S5,S6,S7,S8,S9,S10,S11,S12
16:10 – 17:00 Valedictory

On the day of the conference, i.e. on Saturday 19th June 2021, the Inaugural Function was arranged in online mode on Microsoft Teams at 10 am. Prof. M. M. Dhanvijay, the conference Co-coordinator, gave the introductory speech and greeted the dignitaries and the participants. The inaugural function was hosted by Dr. K. S. Tiwari. The function was started with 'Saraswati Poojan' by playing audio tune in the presence of the dignitaries.

Dr. P. P. Mane, the conference convener, presented the key points about the conference in her welcome address.

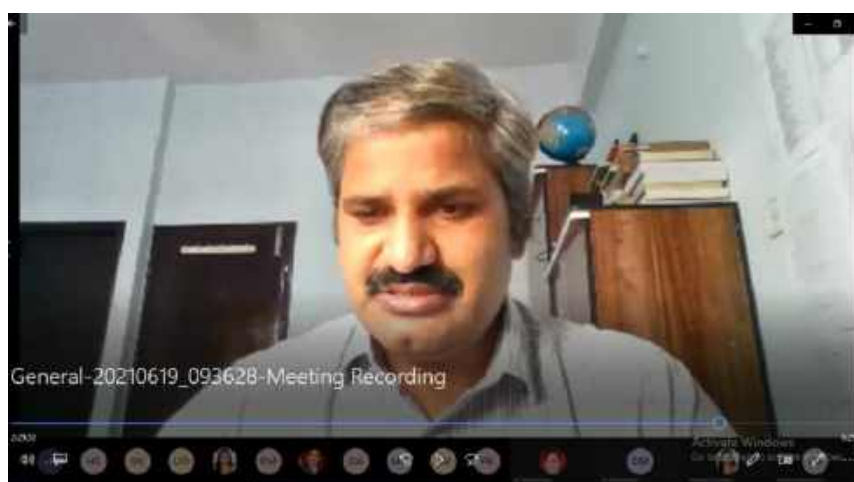

Dr. M. P. Dale, Vice Principal highlighted the important activities of the college and gave best wishes to ACCET-2021.

Later the unveiling of the conference Souvenir was taken place facilitated by Dr. P. N. Kota. Dr. P. P. Mane, H.O.D., E & Tc. encouraged the participants with her motivating speech. Dr. A. J. Hake, Life Member, M. E. Society elaborated the significance of paper presentation and publication. Principal Dr. S. S. Sarawade mentioned the importance of the conference in his speech.

The function was also graced by the Guest of honour and the key-note speaker Dr. Ram Bilas Pachori

Professor, Department of Electrical Engineering, Indian Institute of Technology Indore. The audience were addressed by Chief Guest, Prof. Dr. D. S. Bormane, Principal, AISSMS COE, Pune and Co-coordinator, BOS, Electronics, SPPU, Pune.

The function was concluded with the vote of thanks by Dr. P. P. Mane.

Dr. Ram Bilas Pachori while presenting keynote speech.

The key note address was given by Dr. Ram Bilas Pachori after the inaugural function on the topic Fourier-Bessel series expansion based empirical wavelet transform for non-stationary signals.

After lunch, the paper presentation sessions were started in online mode on Microsoft Teams. Twelve parallel sessions of paper presentation were conducted.

Session	Internal session chair	External session chair
S1	Dr. P. P. Mane and Prof. P.H. Mohite	Dr. D. K. Shedge
S2	Dr. K. S. Tiwari and Prof. P. S. Tondewad	Dr. B. D. Jadhav
S3	Dr. P. N. Kota	Dr. Y. H. Dandwate
S4	Prof. B. M. Narute and Prof. Pratiksha Nandanwar	Dr. Mithra
S5	Dr. M. P. Dale and Prof. N. Masood	Dr Rajesh Bodade
S6	Prof. Y. M Ajgar	Dr. Shailendra Badwaik
S7	Dr. P. B. Chopade	Dr. Prachi R.
S8	Prof. U. V. Bomble	Dr. Vrushali G Raut
S9	Prof. A. A. Dhavlikar	Dr. Vinayak Bairagi
S10	Prof. S. N. Dharwadkar	Dr. Somnath Dhonde

S11	Prof. Priyanka Bagul	Prof. Anagha Kunte
S12	Prof. S. S. Pansare and Prof. U. D. Dattasamjhe	Dr. Varsha Harpale

Best paper Awards based on technical contents and presentation skills, are given to the presenters from each session.

MECHANICAL ENGINEERING STUDENTS ASSOCIATION

(MESA)

PHOENIX 2K18

Technical Event

(25th to 28th Sept 2018)

Modern Education Society's
COLLEGE OF ENGINEERING, PUNE-01

About MECHANICAL ENGINEERING STUDENTS ASSOCIATION (MESA)

MESA is MESCOE Mechanical Student Association. The MESA was formed to bring about the technical development of students by organizing seminars, workshops and other activities and also to improve non-technical abilities of students by engendering good communication skills, managerial abilities, presentation skills and team work.

Objectives

- To Promote the interaction between academia and industry by organizing industrial visits, special lectures and facilitate in industrial training
- Promoting the interests of students in various technical areas pertaining to mechanical engineering
- To encourage students of the mechanical Engineering department to develop their personal skills, like event management & time management by organizing inter & inter Collegiate Events
- To bring about the technical development of students by organizing seminars, workshops and other activities.

Outcomes:

The students will be able to

- Develop their technical and non-technical competitive skill
- Develop their communication skills, managerial abilities, presentation skills and team work.
- Put forth their ideas

Role of the Faculty Coordinator:

- The faculty coordinator will be responsible for team selection.
- Faculty coordinator have all rights to terminate any non performing member in the committee.
- All purchases for event conduction must be processed through faculty coordinator.
- All events should be conducted under the guidance of respective coordinator as well as respective event coordinators.

Team Selection Policy:

- Academic result is considered for the post of President and Vice-President
- All interested students for committee members are called for interview.
- The interview is conducted by faculty coordinator, Senior faculties and President in Semester II and charge is handed over to new President and committee members
-

About “PHOENIX-2k18”

“PHOENIX” is regular activity organising by MESA every year to nurture the overall development of students. Phoenix-2K18 organising various technical events during 25-28th September 2018 such as Lathe War, CAD War, Googler, Hookup, Poster Presentation, Techno Quiz, Techno Treasure Hunt, Counter Strike 1.6, PUBG, Box Cricket etc. the Registration and campaigning for the events is started on the 13th September 2018. Entire MESA was in full gusto, trying their best to attract students to participate for all the events. As Phoenix-2K18 is an inter-college event, everyone is geared up to attract more students and establish themselves as excellent publicity and marketing organisers. Organising Team: - Dr. S. H. Gawande, Prof. H. S. Salave and MESA team members. Following events were scheduled on 25th to 28th Sept- 2018

Registration and Inauguration

PHOENIX-2k18 is inaugurated on the first day of event 25th September 2018 at 10:00 am in Department of Mechanical Engineering workshop by the auspicious hand of Prof. Dr. A.A. Keste (Principal) in the presence of Dr. V. N. Raibhole (Vice-Principal), Dr. V. N. Chougule (HoD, Mechanical), Dr. S. H. Gawande (MESA, Faculty Advisor), Prof. H. S. Salave (MESA, Faculty Advisor) and all the teaching and non-teaching staff. Prof. H. S. Salave delivered a brief introduction about the event PHOENIX-2k18.

Registration Desk of PHOENIX-2k17

Inaugurated by Dr. A. A. Keste (Principal), Dr. V. N. Raibhole (Vice- Principal) and Dr. V. Chougule (HoD)

MESA Team

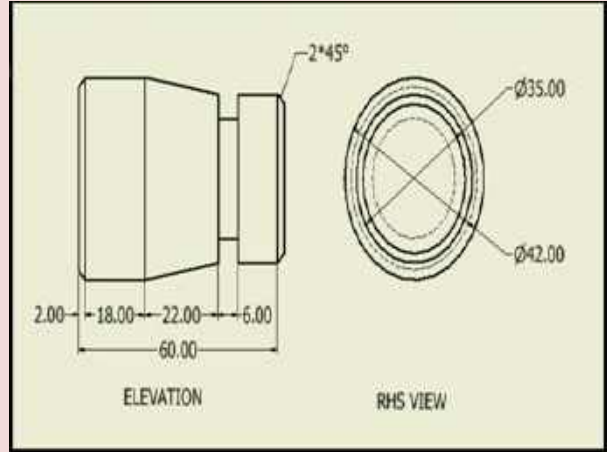

LATHE WAR

The Lathe war event work started from Friday 23rd SEPT with the cutting of NYLON material used in competition. According to design material was cut in given length in all 34 pieces were cut. All participants were given all rules through text messages. There were 3 batches performing in event. Invitation to judges were sent day before event. All of this was done before event got started

Nylon Material for Lathe War:

Cutting Material

Job Design

Event Winner and Runner-up:

Winner	Shivam Shinde & Aarti Bhagat
Runner-up	Mohit Gaikwad & Shubham Bendale

Proof:

CAD WAR

The event work started from Saturday, 22nd Sept with the check of PC's in the lab with the help of coordinators and under the guidance of Prof. R. N. Yerrawar. Subsequently the questions to be 3D modeled by the participants were also selected. 2 Questions were selected for the event. On 24th SEPT the sponsorer's banner was also put up on the outside wall of the lab under the guidance of Prof. R. N. Yerrawar & Prof. H. S. Salave & the participants were contacted to convey the timings & venue of the event

Event Winner and Runner-up:

Winner	Rohan Koshti (TE MECH 2)
Runner-up	Shriram Batav (TE MECH 1)

Proof:

HOOK UP

The event work started from Saturday, 22nd Sept with the selection of Assemblies and respective tools required in the workshop with the help of coordinators and under the guidance of Prof. B. D. Nandre. Subsequently the Assemblies to be assembled and disassembled by the participants were also checked. 4 Assemblies were selected for the event. On 24th SEPT the Event Posters was also put up on the outside wall of the workshop under the guidance of Prof. B. D. Nandre & the participants were contacted to convey the timings & venue of the event.

Event Winner and Runner-up:

Winner	Sahil Tikkal & Yash Chatur
Runner-up	Tanmay Thorat & Atharva Tungikar.

Proof:

TECH QUIZ

The event work started from Saturday. 22nd Sept with the getting the permission for getting the access for room no. 309 and 312 .After getting the permission the team started the work of decoration by making a poster to guide the participants towards the room in which the event was to be conducted

On 26th The first round was rapid fire round in which 21 teams participated out of which 8 teams qualified for 2nd round.

Second round was an audio visual round in which each team was asked 5 questions .Accordingly only 4 teams were qualified for the 3rd and final round .here the teams were provided with 10 questions each which were mcq based .4 points were given to the correct answer and -1 for the wrong one . after the event was wrapped up the EVENT WINNERS were declared by us & reported

Winner	Aniket Sharma & Akash Rohan
Runner-up	Taiyyab Shaikh

Proofs:

POSTER PRESENTATION

The event work started on Tuesday 25th Sept with the decoration of Drawing Hall 117. All participants were given reminder calls along with detail explanation of rules. There were 11 groups performing in event. Invitation to judges were sent day before event.

On the day of event a small inauguration was conducted in drawing hall 117 at 10 am. After Inauguration the event along with the presence of Event Head, Event Coordinators & other MESA members officially began.

Event Winner and Runner-up:

Winner	Uma Mirji & Shubham Medankar
Runner-up	Tanaya Biswas & Stephanie

Proof:

TECHNO TREASURE HUNT

The event work started on Tuesday 25th Sept with the decoration of Drawing Hall 117. All participants were given reminder calls along with detail explanation of rules. There were 11 groups performing in event. Invitation to judges were sent day before event.

On the day of event a small inauguration was conducted in drawing hall 117 at 10 am. After Inauguration the event along with the presence of Event Head, Event Coordinators & other MESA members officially began.

Event Winner and Runner-up:

Winner	Jyoti Kalokhe, Prajakta Saste and Piyush Muthal
--------	---

Proof:

GOOGLER

The event work started from Saturday 22nd Sept with the check of PC's in the lab with the help of coordinators and under the guidance of Prof. S.P.Gadewar. On 24th Sept, the participants were contacted to convey the timings & venue of the event.

The EVENT'S 1st round was conducted at 12:00 pm with all the participants seated at their respective allotted PC's & the questions being handed over to them. The time allotted for each participant was 2:30 minutes to answer the questions(5 questions each with 1mark)&6 minutes were given to prepare documentation on given topic. The participants comprised of the classes from SE, TE & BE Mechanical divisions. The participants used their fast typing skills to answer the question and prepare the documentation in the allotted time. At 1 pm the 1st round of the event was concluded. Then the top 8 participants with most correct answers were selected for round 2.

The selected participants were given 10:00 minutes time to prepare for their presentation. Then the 2nd round begins at 2:00 pm. The participants were made to give presentation in front of our judges on the documentation they prepared in round 1 and then finally the event concluded at 3:30 pm. The participants were guided during their entirety of the event for problems regarding the conduct of the event. After the completion of the 2nd round, we officially declared that the EVENT was finished & was successfully completed. The EVENT took place completely in accordance to the instructions of Prof. S.P. Gadewar & Prof. H. S. Salave.

Event Winner and Runner-up:

Winner	Jalaj Shukla
Runner-up	Gurusha Lulla

Proof:

COUNTER STRIKE

The event work started from 25th Sept with the check of PC's in the lab with the help of coordinators and under the guidance of Prof. N. N. Kumbhar. The participants were contacted to convey the timings & venue of the event. at 9 am the event was inaugurated by Prof. H. S. Salave, Prof. N. N. Kumbhar along with the presence of MESA Committee Members, Event Coordinators & other MESA members by cutting the ribbon

The EVENT'S 1st round was conducted at 9:15 am with all the participants seated at their respective allotted PC's. The game version used was C.S-1.6. The teams comprised of the classes from FE, SE, TE & BE. The participants used their gaming skills to play and to win the tournament. At 2 pm the 1st round of the event was concluded.

The 2nd round started the next day i.e. on 27th Sept. The matches were held accordingly and the winner team was concluded. The teams were guided during the entire event for problems regarding the conduct of the event. After the completion of the 2nd round, we officially declared that the EVENT was finished & was successfully completed. The EVENT took place completely in accordance to the instructions of Prof. N. N. Kumbhar

Event Winner and Runner-up:

Winner	Shreyas Shetty and team
--------	-------------------------

Proof:

BOX CRICKET

The event was scheduled on 27th September 2018. In the morning, by 8am, all the preparations for the event were done and the preparation for the inauguration started. By the same time all the participant teams started reporting. The inauguration was done by Professor K.A.Mahajan, the staff incharge, at 9:30. Before that all the preparations were ensured by the team.

The event finally started immediately after the inauguration. The matches were conducted successfully without any disputes. All my coordinators helped me in coordination. All the BE students helped in umpiring and controlling the crowd.

The semi finals started near around 5pm after eliminating all the teams and the final was conducted simultaneously. Overall, the event was a great success!

Event Winner and Runner-up:

Winner	Team Aditya.
Runner-up	Team Abhyuday.

Engineers Day Celebration and Prize Distribution Ceremony:

“PHOENIX” is regular activity organized by MESA of Department of Mechanical Engineering of M.E.S. College of Engineering Pune every year to nurture the overall development of students. Under PHOENIX-2K18 various technical and non-technical events are scheduled during 25-28th September 2018 such as Lathe War, CAD War, Googler, Hookup, Poster Presentation, Techno Quiz, Techno Treasure Hunt, Counter Strike 1.6, PUBG, Box Cricket etc. **PHOENIX-2k18** was inaugurated on the first day of event 25th September 2018 at 10:00 am in Department of Mechanical Engineering workshop by the auspicious hand of Prof. Dr. A.A. Keste (Principal) in the presence of Dr. V. N. Raibhole (Vice-Principal), Dr. V. N. Chougule (HoD, Mechanical), Dr. S. H. Gawande (MESA, Faculty Advisor), Prof. H. S. Salave (MESA, Faculty Advisor) and all the teaching and non-teaching staff. Prof. H. S. Salave delivered a brief introduction about the event PHOENIX-2k18. The conclusion of **PHOENIX-2k18** was scheduled on 28th September 2018 with distribution of prizes and certificates to winning and runner teams. More than 300 students from various colleges affiliated to Savitribai Phule Pune University were participated.

Welcome Speech by Prof. H. S. Salave

Prize Distribution by Dr. A. A. Keste (Principal) and Dr. V. N Chougule (HoD)

Prize Distribution by Dr. S. S. Sarwade and Dr. A. C. Mitra

Prize Distribution by Dr. S. H. Gawande and Prof. H. S. Salave

Organizing Committee of PHOENIX-2k18

MESA Team with Dr. A. A. Keste (Principal) & Dr. V. N. Chougule (HoD)

Tech buzz

If you are a tech geek, then Phoenix-2K18 is where you should shine. The inter-collegiate competition, Phoenix-2K18, organised by the Mechanical Engineering Students Association (MESA) of MES College of Engineering, starts from September 25.

The MESA was formed to bring about the technical development of mechanical engineering students by organising technical events, lectures, seminars, workshops by experts, besides co-curricular and extra-curricular activities.

The four day competition, Phoenix-2K18, includes various technical events like Lathe War, CAD War, Googlet, Hookup, Poster Presentation, Techno Quiz, Techno Treasure Hunt, Counter Strike 1.6, PUBG, Box Cricket etc. The registration and campaigning for the events began on September 13. To register, contact 9021088007/8888897509.

MES CoE organises 'Phoenix'

BEAMING:
Participants of Phoenix-18 at the MES College of Engineering.

ST CORRESPONDENT

reporters@sakaaltimes.com

Pune: For the overall development of students, the annual activity of MESA of Department of Mechanical Engineering of MES College of Engineering, Pune recently organised an event.

Under the PHOENIX-2K18, various techni-

cal and non-technical events were held such as Lathe War, CAD War, Googler, Hookup, Poster Presentation, Techno Quiz, Techno Treasure Hunt, Counter Strike 1.6, PUBG, Box Cricket etc.

It was inaugurated in Department of Mechanical Engineering workshop by AA Keste (Principal) in the presence of VN Raibhole

(Vice-Principal), VN Chougule (HoD, Mechanical), SH Gawande (MESA, Faculty Advisor), HS Salave (MESA, Faculty Advisor) and all teaching and non-teaching staff.

Salave gave a brief introduction about the event. More than 300 students from various colleges affiliated to Savitribai Phule Pune University participated.

Vision of Department

To groom Motivated, Environmental friendly, Self-esteemed, Creative and Oriented Mechanical Engineers

Mission of Department:

To Develop Industry Oriented Manpower to accept the challenges of Globalization by,

- Imparting mechanical engineering knowledge through trained faculty in conducive environment,
- Creating awareness about the needs of mechanical industries through alumni and industry-institute interactions
- Encouraging them to think innovatively and introduce them to various research activities
- Supporting them to groom in all aspects like communication, interpersonal skills.

Program Educational Objectives:

The following Program Educational Objectives are established for the Mechanical Engineering:

- **Pre-preparation:** To prepare students with strong foundation in mathematical, scientific and engineering fundamentals that will enable them to have successful career in Core Mechanical and Interdisciplinary Industries.
- **Core Competence:** To prepare students for rapid technological change with core Mechanical Engineering domain knowledge.
- **Breadth:** To enable students to develop their knowledge and skills across the range of disciplines.
- **Professionalism:** To prepare students for soft skills with good communication, ethical values and ability to work in a team
- **Learning Environment:** To prepare students to strengthen their knowledge and skills through self-learning abilities throughout their professional career as well as to pursue higher education.

Mechanical Engineering Program Outcomes:

The Mechanical Engineering graduates will be able to:

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
2. **Problem analysis:** Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
4. **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
9. Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
10. **Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
12. **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.
13. **PSO I:** Apply principles of machine design, manufacturing, thermal engineering and management to identify, formulate and solve real life problems in various fields of engineering
14. **PSO II:** Use modern modeling, simulation techniques and computational tools.
15. **PSO III:** Develop practical solutions for mechanical engineering problems/processes under professional and ethical constraints.

Department of E&TC and Mechanical Engineering
e-BAJA SAEINDIA-2020

TEAM GYRFALCONS

SAE BAJA

BAJA SAEINDIA is an Inter-collegiate design competition organized by SAE. Teams of students from colleges all over the country design and build 'Electric ALL TERRAIN VEHICLES'. The goal is to design, manufacture and race ATV's that can withstand the harsh elements of rough terrain.

The competition has Dynamic as Static events: -

- The Dynamic events include a 4 Hour endurance race, Maneuverability and acceleration tests.
- Whereas the static events include Design, Sales and Marketing and Cost Presentations. A tally of all these events decides the overall winner of the event.

TEAM GYRFALCONS

1. **BAJA 2019:** Secured 3rd place in virtual presentation round. Completed all Static and Dynamic Events successfully. **Lightest vehicle amongst all teams. Overall Ranked 9th out of 60 participants.**
2. **BAJA 2020:** 2nd in virtual presentation. Failure in clearing the Technical Inspection due to damaged electrical components. **We had the Lightest vehicle amongst all teams and the team Secured an overall 9th rank amongst 80 participants. We were also the Winner of Sales presentation and Design presentation awards.**

BAJA 2020

TEAM FORMATION

- For formation of the BAJA 2020 team, the selection process begun from March 2019.
- The students interested to work with the team were enrolled and the motive and purpose of BAJA was explained to them.
- **Stage 1** : The students then had to undergo a test based on their technical knowledge and basic understanding about the advancements in automobile industry.
- **Stage 2** : The presentation skills and technical knowledge of the students was tested by assigning them a topic of their interest. The candidates were expected to prepare a Powerpoint presentation regarding the assigned topic and explain about the same to a panel consisting of seniors and alumni's of the team.
- **Stage 3** : Each candidate was interviewed by an interview panel which consisted of faculty advisors as well as senior members of the team.
- A team of 25 students was created. It consisted of students from SE, TE and BE.
- **Mr. Aditya Jagtap** and **Mr. Ameya Khedkar** were selected as the Team Captain and Vice-Captain respectively after an interview conducted by the faculty advisor, **Prof. Balkrishna Pujari** and **Prof. Priyanka Tondewad**.
- 6 departments viz **Roll cage, Suspension, Steering, Transmission, Electricals** and **Brakes** were formed and the recruits were allotted a department of their choice.

TEAM REGISTRATION

- In all there were 80 openings for the Indore event for which teams registered from all over the country. The virtual round was held at Chitkara university, Chandigarh, Punjab.
- A team of 5 students was selected to deliver the presentation in the virtual round.
- The presentation included advancements in the new vehicle and changes to be made. A slide containing all the **lessons the team learnt** and the mistakes made was also included in the presentation.

- The team prioritized weight reduction and improvised handling for year 2020. We also optimized each component the vehicle and iterations were made as per requirement.
- Changes were made till an optimum design was achieved. This design offered a balance of competitive performance with strong impact withstanding ability as the driver safety was of prime importance.
- The suspension department opted for an entirely new design geometry and 50-50 weight distribution.
- The transmission department used a new **Timing belt and pulley** model. This ensured a better acceleration time and less driver fatigue.
- **AISI 4130** was selected as the optimum material for building the chassis of the vehicle as it had enough strength and durability. A Gantt chart was prepared which gave us a timeline for the work to be completed.

BAJA VIRTUAL RESULT

- The results of the VIRTUAL round were announced within a week. **Team Gyrfalcons representing Modern Education Society's College of Engineering ranked 2nd among 80 teams** that were selected for the Indore Event. The next step was the team registration for the second phase.

MANUFACTURING STAGE

- The newly recruited team members were allotted departments **like grooving, welding, drilling, housekeeping, documentation and panelling.**
- The procurement of **Primary, secondary and tertiary pipes** was done.
- **Special off-road tyres and rims were procured** which had a low mass and overall lighter weight. A custom-made steering rack was ordered which would enable our buggy to manoeuvre within the tightest corners.
- For assembling the chassis, a fresh fixture table was prepared which gave us the required **precision and accuracy.**
- Pipes were fixed into the each other by precise grooving and then welded together to make a rigid frame.
- Members of suspension department like **H-Arms** and **Wishbones** were also prepared using fixtures.

MACHINING

- **Knuckles, hubs, gears, tie-rods, wishbones, gearbox casing, steering wheel, steering column, steering arms, brake disc, shafts** etc. were machined both in-house and by some vendors.
- Machining is a very vital process as it requires accuracy and errors cannot be negotiated. Some parts were delayed and the schedule of the team was disturbed, but we did a good job by not lagging behind time.
- The machined components like shafts, gears, hubs, discs and other supporting components were hardened by heat treatment process to improve their life.

BAJA SAEINDIA 2020

- The event was scheduled from **23th to 25th January 2020**.
- The event was held at **Pithampur, Indore (M.P.)**. The team arrived in Indore on 21st January 2020 and was accompanied by faculty advisors.
- **Team GYRFALCONS** finished BAJA SAEINDIA 2020 by ranking **Overall 9th out of 80** participating teams. The team had its moments of glory by winning 2 awards at the event. As a result of the efforts taken by our Designing and Sales team, **the team won the Design Presentation and the Sales and Marketing Presentation awards**. In spite of our rigorous testing we failed at clearing the Technical Inspection due to some damaged components during transportation. It was a great year and we had a strong performance with all the changes we made. The Team strives to take up the challenges faced by the upcoming event and has aimed for the number one spot at BAJA 2021.
- Despite all the problems we faced, we bounced back with a strong resolve to perform.

Learning from our ups & downs, we are determined to compete in BAJA 2021 with an even stronger performing and optimised vehicle.

BUDGET
