### **Full length paper submission and writing guidelines**

- The selection of papers for publication will be based on their relevance, clarity, topicality and originality; the extent to which they advance knowledge, understanding and application; and their likely contribution towards inspiring further development and research.
- The manuscript should be submitted and author’s details should be mentioned in the beginning. The author should not be identified anywhere else in the article. The authors details should include full name, affiliation, e-mail address etc.
- Manuscripts should not exceed 7,500 words (about 15 A-4 size pages, typed one and half space only).
- Tables should be numbered and referred to in the text as Table 1, Table 2, etc. Tables should not duplicate results in graphs. The minimum amount of descriptive text should be used on graphs and drawings (label curves, points, etc. with single letter symbols). The tables and figures should be clearly visible, readable and monochromatic in nature. Avoid inserting pictures of tables and figures in the manuscript.
- Maximum number of authors of each article are limited to 04
- Maximum number of pages of each article are limited **6 pages**
- All articles must be submitted both in word and pdf formats.
- A maximum of 04 authors per paper with e-mail IDs and indicate corresponding author.
- All pictures/Figures/Tables must be in good quality or high resolution.
- After composing, will send all papers for proof checking. Once approved for printing, no corrections/changes will be entertained.
- After acceptance of paper, submission of Copy Right Form (CRF) signed by all authors of each paper is must.
- Once the articles received from authors, no further changes in articles or change/addition of authors will be entertained.
